THE BIGGEST AND BEST JUST GOT BETTER...

What you now hold in your hands is the largest video game magazine ever produced in America! Weighing in at 320 pages (sure, I know 48 of them comprise Electronic Boutique's new catalog, but they're cool too), this mega-gaming monstrosity is packed to the rim with all of the explosive color, hot news and secret info only EGM can deliver.

I know I speak for the rest of the EGM staff when I tell you that we've had an absolutely awesome time working to deliver the best video game mag around. As the size and scope of the magazine (not to mention the industry that it serves) change, you can count on us to be there with the first look at whatever the latest games, tips, or technology may be!

Although the video game industry has been able to mature at a zippy rate, all of this expansion has caused a nasty topic to rear its ugly head for the first time. The illegal copying of games is a problem that has been relegated to computer software in the past, but now threatens to take hold of the video

Using special devices that enable gaming pirates to download programming code, a few small bands of unscrupulous gamers have started duplicating favorite games for mass consumption within their clicks. Although the extent of the disease is small, largely because of the high cost and unavailability of the illegal hardware needed to copy, it does exist and is against the law.

Electronic Gaming Monthly recognizes the hard work and large investments that video game developers and manufacturers continue to make to bring us the hottest new games that cut the leading edge of technology. By illegally copying any video game, potential pirates hurt the hobby by decreasing overall sales. Even if the game is an older title, the integrity of the product remains the same and should not, under any circumstances, be violated.

Recently Electronic Gaming Monthly has instituted a company policy that mandates an end to illegal video game duplication. We are working with a number of major video game licensees to isolate the perpetrators of illegal game copying in an effort to bring about an end to this new form of crime. If you are aware of any such activities, or if you know the names of companies offering illegal video game duplication equipment, please contact me personally at: Sendai Publishing Group, 1920 Highland Avenue, Suite 222, Lombard, Illinois, 60148, attention: Game Pirates.

Getting back to the magazine, I hope you get into this issue of EGM as much as we did when we were making it! The holiday season is shaping up to be a blast and I'm glad that you've turned to the Biggest and Best Video Game Magazine for all your gaming needs. And don't forget to hold onto this special collector's issue - after all it's the biggest mag the states have ever seen!

At least until next month!

Steve Harris Publisher

SEGA CD UPDATE!

I am very interested in purchasing the Sega CD as soon as it comes out this fall. I believe that CD games are the wave of the future and Sega seems to have the most up-to-date game system and CD technology. Even though I have researched my purchase, there still seem to be a few unknowns in the way the Sega CD will be packaged. I get all the game magazines and nobody seems to know exactly what us game players will get for our \$299. One magazine which used to have reliable info is saving Sol-Feace won't be released in the U.S. while Sega says that it will be one of the discs included with the system! The mag also says that Renovation will do Cobra Command but Sega again says that they will bring out the disc. Sega should know what they are doing but can you give us the final story on the mysterious Sega CD.

Vincent Tucker
Raleigh, NC

Sol-Feace is now one of the pack-in disks included with the Sega CD.

(Ed. Always willing to help Vince. The reason why you are getting different stories is because Sega is constantly changing their minds. The CD system is very important to them and they want to give the players the best deal possible when the system comes out this holiday season.

With the system configuration literally changing every month, you have to be careful which magazine you get the information from. Not to bash our competition, but EGM has the shortest lead-time in the biz!

Anyway, Sega currently plans to include Sheriock Holmes Consulting Detective, Sol-Feace, a four in one Sega Classics disc that contains Streets of Rage, Columns, Golden Axe and Revenge of Shinobi (Super Monaco GP will not be on this disc), a CD+G demo disc and a CD audio disc. Is this the final configuration? Does Sonic the Hedgehog have a bad attitude?

There have been other game changes happening on the Sega systems. Cobra Command CD, previously known as Thunderstorm FX, is now being brought out by Sega themselves, not Renovation. The U.S. rights to the hot cart Thunder Force 4 have also gone to Sega, who are planning to call it Lightening Strike. Ditto for Ex-Mutants, being developed by Malibu Interactive. One thing is for sure - if you want to get the latest information keep tuned to EGM!

BOGUS SF2 ARCADE GAMES

I recently took a trip to Taiwan. I know most of the Japanese imports go immediately over there, and of course. SF2 was the hottest arcade around. One thing that was unusual though was that the SF2 machines are different. My friends living there said that these 'different' versions were illegal ripoffs. While they look and play very much like SF2 they could do new moves. Not only that but you could perform moves in the air! The fireballs could be thrown so slow that you could walk inside your own fireball! Sonic booms could be thrown in mid air. There were many more new and interesting twists to the game.

While I understand that these versions will never appear in the U.S. Capcom should consider doing something similar. Playing SF2 CD every day gets pretty boring and these changes add all new strategy!

Hubert Cheng

When I went down to the pizza parlor to play SF2 CE, I discovered there were new mid-air moves! The game was fun but can EGM tell me if this was a rip-off gamef?

Steve Rossa Millbrae, CA

(Both machines were rips, guys. Although they may be way-cool, it's not a great idea to support your local gray-board importer. Try Mortal Kombat instead.

Power-Grip Glove and Football Set

ey... we're sure you know what it feels like when you make that great athletic catch. Those times when all your friends vell "Wow! What a Catch!" Well now you can make those great grabs EVERY TIME...with the "Whatta Catch!" Power-Grip Glove and Football Set.

Whether you're a righty or lefty, our adjustable gloves will fit you. They're covered with sticky hook-and-loop material that makes it almost impossible not to make a great catch! Plus, our high-quality football is so realistic, it even pumps up with air! That makes it better than all those watermelonshaped foam and cotton-filled footballs you've seen other kids playing with. Plus, our bright neon pink and green ball looks great!

"Whatta Catch!" is taking the country by storm so get in on the action. Run over to your store and buy one today!

And be sure to keep an eye out for all our other popular products. like the "Whatta Catch!" Flying Disc and the "Whatta Catch!" Power-Grip Softball, Plus, you can also buy extra Power-Grip Gloves and Footballs individually. That way, the whole gang can play at once!

Look for "Whatta Catch!" games at these and other fine retail stores:

BIG WHEEL, & Venture, MEILER.

Hook's DRUGS. Drug Emportum.

WONDERMEGA BLUES...

Now with the Sega CD only a month away I am getting very excited about this spectacular peripheral. While \$299 is a bit on the high side. the free discs do make it a good value for the money.

That was until I saw your last issue and off in the corner on one your EGM Express pages is a picture of something called the Wondermega. Just exactly what is this? Should I consider buying this new product, or will iteven come out in the U.S.?

Michael Robles Bronx, NY

JVC's Wondermega will be coming to the U.S. later this year.

(Ed. You must have missed our May issue Michael. We broke the news to the nation about this nifty product. In essence, the Wondermega is a Genesis and a Sega CD wrapped in one. As far as graphics and video are concerned, other than a built-in Super VHS video output, there isn't any difference. If you are really into the audio, however, then you will want to at least take a look at this system. JVC has added a few cool features that will turn your crank. A special bass enhancer which adds punch to the lower frequencies and a digital audio processor which expands the dynamic range of the music are the two most important additions. Believe me, if you run vour games through a stereo system (not just the TV) you will definitely want the Wondermega! Other features include a mike input, a karaoke echo and a MIDI (Musical Instrument Digital Interface) port.

If you thought that the Sega CD was expensive, Michael, you better sit down for this one. The Wondermega lists for over \$620 in Japan.

OK, so it really isn't a true psycho letter, but there was someone willing to go to the trouble of hunting up a relative named Dhalsim as we requested in the Tricks of the Trade section.

Mr. Eric McGovern of Port Orange, Florida is the crazy who made his sister up as Street Fighter 2's gumby warrior, C'mon Eric, it was a joke! You score the free loot. bud, but don't think you have us fooled for a moment!

"Sir

Enclosed is my sister's birth record and picture. She is 8 years old and her name is Dhalsim! I am 6 and I think it's a funny name. Please send my games. I have a Super NES."

WIN AN OFFICIAL EGM T-SHIRT!

If you think you have what it takes to contribute to society, go write to Newsweek. If, however, you have a thought or opinion that fellow gamers would find particularly crazy, we'd like to immortalize you with a special edition EGM T-Shirt proclaiming your fondness of and psychosis to video games!

Since its introduction, however, the price has decreased to about \$400. There are two versions of the system in Japan. One is released by Sega and the other sports the JVC label. Other than decals and pack-in software, the systems are the same.

Here in the U.S., Sega hasn't indicated whether they will bring out their version of the Wondermega. JVC, on the other hand, is currently thinking of bringing their system out later this year.)

PLAY STATION DEAD?

Lam an avid Super NES and Sony fan, and the Play Station looked to be a dream come true. That was guite a while ago and other than bits

and pieces of new info, there hasn't been anything new about Sony's dream machine. Have they soothed their problems with Nintendo? Will the Super NES CD-ROM and the Play Station still be compatible?

Cedar Mulligan Port Alexander, AK

(Ed. We haven't heard anything new about the Play Station for a few months. It's important to note that Sony has signed up with Sega to be a CD-ROM software licensee. This being the case, the best guess is that they were never able to reach an agreement with Nintendo and probably decided to hold off on bringing out their own system since they didn't have the software support.)

S-NES CD-ROM 32-BIT & \$200?

You guys have already printed the specs and names of some of the games for the Sega CD. You even told about the pack-in discs and release schedule, but what you haven't talked abouta lot is Nintendo's Super NES CD-ROM. Can you give us an update? Will it come out in January 1993? Is Nintendo still planning to sell it for \$200?

Jose Galvez N. Hollywood, CA

Please check out the story that Nintendo is changing their Super NES CD-ROM plans. I got a letter from them on September 14th and they said that their new peripheral is to be 32-Bit and still cost only \$200! They even go on to talk about a new 3-D graphics chip that they are working on. If this is true, their machine should leave Sega's overpriced 16-Bit CD-ROM in the dust!

Frank Cipparone Philadelphia, PA

(Ed. We heard about the newest version of the Super NES CD-ROM when we were at the Nintendo Show in Japan back in August. Unfortunately this news came just days after we went to print with the October issue. For a complete description of their new peripheral, check out this month's EGM Express column.

As to whether their new system will sell for \$200? Highly unlikely. Few people believed that Nintendo could sell a dependable and durable 16-Bit CD-ROM for \$200, yet alone a 32-Bit machine. Rumor was that Nintendo had major problems in getting their old CD-ROM to interface properly with the Phillips CD-I. In addition, development systems never went out to the software licensees and time was running out for a January 1993 launch.

One thing to remember is that CD technology is big business. Being first is very important. Sega showed their system first and Nintendo had to go one-up. They did this with a press release about their CD-ROM system being only \$200. Now Sega is first with their CD-ROM in the stores and Nintendo needs something bigger-and-better to talk about -like a \$200 32-Bit system. C'mon Nintendo, you can do better than that. If you're marketing vaporware, why not make it a 64-Bit CD sysem?)

MORE MORTAL KOMBAT!

That's enough Street Fighter 2 coverage! You now have to cover Midway's hot new fighting game - Mortal Kombat. Do just what you did with the SF game and cover all the moves! Also, Make it a point to show the fatalities!

Giami Barlett North Miami, FL

I have been going to the local arcade for the past month and all I have been playing is the game Mortal Kombat. At least, when I can get to it. The line is so long I can only get a couple of games in each night. By the way, the SF2 CE game isn't even being played now that Mortal Kombat is in! My problem is that I am getting my tail kicked because I don't know the special moves. How about telling me a few of these moves so I can last longer than 2 minutes.

Dave Hanna Hanover Park, IL

Thanks for the story on Mortal Kombat. I've been playing it for three months now and I've gotten so good that I can beat the game with Scorpion. Do you know when they are coming out with a Mortal Kombat 2?

P.S. Here are some of the special moves. Hope you like them! Scorpion's Death Wish - Hold block button down and press up, up, and get 3 feet away.

Raiden's Death Wish - F, F, B, B, B, High Punch.

Sonya's Death Wish - F, F, B, B, Block Button.

Kim-Hahn Hoang Fremont, CA

(Ed. We have already received over a hundred letters on this hot new arcade fighter! Watch future issues of EGM for more info, pix and all the special moves. The way it looks from our end, SF2 CE seems to be dropping in popularity rapidly. It is taking some time for the MK machines to get out across the country, but as soon as the players see MK they're hooked! With SF3 eons away it looks like MK is the new king!)

Super Star Wars
Action November
10+ 8 Meg

S Although this game has a few problems with its control and execution, the package is presented in a roan flawless manner. The graphics are absolutely incredible and compilmental with strong play action and good technique. The game is

E simplistic in design but the quality of the design is second to none! A winner!

M This is a dream come true for Star Wars fans. The game is ad Well done that you A can't help getting moved. The graphics R are great, the muse is absolutely phenomenal and the game diay is fast and action-packed from beginning to end. This is the best movie-to-game translation that I've ever seen! Encore please. E.S.B!!!

Following the theme of the blockbuster movie, Super Star Wars is translated with great attention to detail throughout. Embracing conventional side-scrolling action themes while adding Mode 7 Landspeeder and flying sequences, the play technique is straightforward but very solid. Well drawn cinema displays motivate the storyline and help bring additional depth to the characters as you advance the movie's well-known plot. Fight off Luke's home world, meet up with Han Solo and Chewbacca, and blast to the Death Star to rescue Princess Leia. Return to take on Darth Vader and blow the space station away!

Easily one of the best games of the yearl Everything that is required of a great game is there -graphics, sound and game play. While it is it is neasy game, and some players will find it frustrating,

garie play. While it sit all easy garie,
 and some players will find it frustrating,
 the difficulty level is set hard enough so
 that you can't just dow through the game
 in a few minutes.

- Super Star Wars is destined to become a Super NES classic over the next year.
- with the graphically intense backdrops, interstellar sounds, and a proven story line, what else could you expect? This
- grandfather of epics is making the video
 game transformation exceptionally well!
- X Do we thank the Force?

22 Electronic Gaming Moderny

The latest blaster for the Nintendo 16-Bit includes five levels of intergalactic conflict. Combining detailed graphics, standard video game play mechanics and some innovative techniques come together to add credibility to this shooter. Fight through ten levels of play, using the Garland fighter's powerful cannons and special ability to lock-on to enemy craft to steal-away their weapon enhancements.

While the real focus of this game is the unique capture-and-powers to technique, the game files higher on its graphics than its play. Its a solid, if somewhat sparse, battle, and selection of weapony is interesting, but the overall graphic representation of the backers and and foreground characters is where the soft shines.

A better than average shooter from Atlus. The graphics are very well doone and the game play is well-cortrollable. It isn't a very easy game but not so hard as to make it frustrating write it isn't revolutionary, it does offer satisfactory entertainment for the shader fans. The sound is good enough to listen to for a few times.

Why would a company release a mediocre shooter, viner other carts show how good a SNES snooter can really be? The game is fairly difficult, but the graphics are nothing to snoot about. The sound department isn't, the best either. The game play is very straightforward with only a few cool options. Missed it by...the

Hoorayl Another shooter to keep the dust off my game shell! Too little, too late is often becoming the bying of most shooters this year, however, and Blazeon is no exception. It's passable in most departments, but it still snl' enough. To really blow your socks off, you need strength and charisma, not just good looks.

Super NES	Spect. Holobyte
Wor	dtris
Puzzler	Available
N/A	8 Meg
CONTROL OF THE PROPERTY OF THE	3+ LETTER WORRS WEAT 19 RIG 12- EER 12- PER 10-

The latest in Spectrum Holobyte's line of Tetris spin-offs, Wordtris succeeds in combining the addictive play of the original tris game with an educational angle that teaches as it plays.

Boasting a 50,000 word dictionary to recognize even the most obscure language, each level of Wordtris encourages players to better their vocabulary in an effort to stop the rising stack of letters.

Although I love Tetris, I haven't found any of the follow-up titles to have anywhere near the same level of appeal. This game isn't much different, camplicating the addictive qualities of Tetris with unnecessary demands on how items are placed. On its own Workings would be average, compared to Tetris it falls way short.

Wow, another puzzle game on the S-NESI I like the concept of seing able to actualy think in a game but the system seems to be underutized. The vocabulary is exceptional and that must be where all the mentor has gone to. A fun way to expand a player's vocabulary! Give it a try.

Come on now! I liked Tetris, but isn't this taking it a bit too far? Supe the game play is similar, but it just isn't the same. The backgrounds are interesting and the playing concept is different than 90% of the SNES carts out there. A change of pace that will stimulate your mind as well as your reflexes.

While Wordtris really puts your mind to work, it quickly besomes clear that this is a lot of power for a Game boy-type game. Still, for those of us who like to challenge our minds as well as our reflexes, Wordtris will be valuing. One problem: it may be a pretty smart game, but it doesn't recognize all the words it should.

Super NES	Absolute
Amazin	g Tennis
Sports	Now
N/A	8 Meg
	Foot Locker
1	

Expanding on the number of sports games available for the Super NES, Amazing Tennis attempts to recreate the game and provide a wide variety of options to any would-be Agassi's!

Game play is presented in a nicely sculpted three-quarter angle that provides plenty of mobility and a nice look. Three difference court types are available, with solo or head-to-head contests available.

I'm not a big fan of video tennis, but this game is appealing, especially in the head-to-head mode (where most sports game excel). As a solo match however, Amazing Tennis is still an attentive game that features decent graphics and good sound support. If tennis to your game, there isn't much here that should offen you.

Unlike many of the other sports, there isn't a whole lot to do in a game of tennis. The actions are retire predictable and easy to learn. The graphics are very well done and the control is very responsive though it will take some practice to really get good. Of ail the tennis games out there, this is easily one of the best.

First of all, I don't get into playing enhanced ping-pong. This is a very good tennis cart and is very disks to the real sport. The graphics are well done and the animation is great, if takes a while to get used to the game play, but overall it responds well. Adapent effort that should please most sports enthusiasts.

Amazing Tennis is not exactly my favorite game to hack at. With the hard to learn play control, most will toss the game through the window intrustration long before they learn even the basics. True, after weeks of practice you may begin to win a couple of games, but only the patient will triumph.

A truly unique approach to the usual brand of action games, Spindizzy Worlds offers a combination of straight action play with an innovative control and environment filled with obstacles to overcome.

As a space-age top, the player must successfully wind through various three-dimensional mazes. Don't bumb into anything or fall, however, or the spinning icon will break! Conquer all 30 levels!

I like the approach of this game a lot, even if it does get a bit frustrating at times. The unique nature of the action, combined with decent graphics and some fun techniques made up for any of the soft's minor shortcomings. For a change of pace that employs a leisurely challenge, Spindizzy may be for you.

Spindizzy is a great game. The controls will take a while to get used to but once learned, this is the type of game that becomes very addicting and hard to put down. The game concept is unique and the puzzles are real mind benders. Although the graphics are unspectacular the game play more than makes up for it.

Once in a while I play a game that is totally original. Spindizzy has a unique style of game play that reminds me of Marble Madness. The game is filled with puzzles and plenty of tricky situations. The graphics could be a little more interesting and the sounds aren't too impressive, but it does stay fresh for the first ten rounds.

While the graphics and sound hint of Marble Madness, Spindizzy Worlds is much, much more. This game requires you to utilize your problem-solving skills in order to finish a round. The object isn't just to plow past obstacles, but to think your way around them. Spinndizzy Worlds is a great puzzle-race-against-time game!

Super NES	Square
Final Fantasy RPG	-Mystic Quest
N/A	4 Meg
ELEAG	Triston MADUAL

This game continues the story that has been made popular in the successful Final Fantasy series - sort of. Final Fantasy - Mystic Quest takes many of the play mechanics found in earlier Final Fantasy efforts and places them within a slightly less challenging environment.

Four gems have been stolen by a tyrant and must be recovered to save the earth. The light tone of the guest should make it fun for kids.

This RPG is actually quite fun to play and runs at a consistently fast pace. It never dwells heavily on any one aspect of the adventure and features just enough depth in the story and action to make for an enjoyable time. While the game is geared toward a younger set, its ease is the only fault I could find.

A perfect RPG for the player who doesn't want to have to spend hundreds of hours in solving the game. The beginner will enjoy the challenge and even the experienced questmaster will find the game challenging. The graphics are noteworthy as they are better than the average screens we are used to in other RPG's.

Another RPG from the folks at Square! The game is set up like your typical RPG with plenty of menus, actionless battle scenes, and hours of searching for much needed items. The music is by far the most impressive aspect of the cart and the graphics are top notch too. The quest is good but geared for the younger crowd.

Final Fantasy MQ is a great amateur's adventure title with tons of quests to solve. FF MQ isn't very hard, but it's solid, so it should be popular with that crowd. Let's face it, FF MQ is a HQ RPG, not quite suited 4 VIP's, but since it will go MIA PDQ at your local EB, KB, etc., U had better RSVP yours ASAP!

Super NES	Nintendo
Super M	ario Kart
Driver	Now
6	8 Meg
	EDITORS CHOICE

Super Mario makes his latest appearance on the Super NES atop a super-charged go-kart! This driving variant expands upon the F-Zero three-quarter play style with more tracks, different characters and power-ups that can be used to knock opposing racers off the course! Great graphics and music support the action and add even more to the Super Mario Bros. theme

This is the best driving game to come along for some time. Marie Kart may look like an F-Zero clone on the surface, but there are many interesting upgrades ranging from power-ups to special combat modes using a split-screen layout. Replay options and plenty of tracks add to the appeal of this super game!

Another hit for Nintendo. They may not make many games in a year but the ones they do are spectacular. Cute looking but not a cakewalk as this is a game that requires lots of technique to master. Fun for the kids but challenging enough for those who take their racing seriously. A definite must have!

A cute, but very good follow-up to F-Zero. This game may look cutesy, but don't be fooled! It really gets intense. The game play is very good and loaded with neat features like instant replay. The graphics and music are high quality and utilize Mode 7 very well. The game is a ton of fun and even better in two-player mode.

Jammin'! Super Mario Cart really blasts past the fun barrier, bringing all of my favorite Nintendo characters back in one spectacular racing game with plenty of power-ups, race tracks, and obstacles! This is one of those games that is very hard to put down, especially with the twin screen action and replays!

TECHNICAL

KNOCK

O U T

Ith the most advanced graphics ever created for boxing, the 'sweet science' has never been so incredibly real.

Check out the action: you've won your first bout, but it was tough! 8 gruelling rounds, and now you're dog tired. So it's back to the gym to work on your stamina. Next bout: you're up against this guy who's *HEALLY FASTI* He's not hurfing you, but he's building up points with pitty-pat combinations, and you're getting *mad!* Between rounds, your corner lets! you how to get ever! They've seen he drops his left guard, so he's open for the right hook. Next round: **BAM!!** Right hook! **HE'S OUTTA HERE!!!**

This is **TKO SUPER CHAMPIONSHIP BOXING**. Non-stop Smashin' Bashin' Knuckle-Krunchin' Action!

Either go one-on-one with a buddy; pick a fight with one of eight powerhouse opponents; or go for the whole enchilada - beat 'em all and become WORLD CHAMP!

After just one bout, you will agree that TKO is a major KNOCKOUTI

The classic cartoon character is back for an adventure on the NES. An evil professor has kidnapped the beloved Kitty, and is holding her hostage in exchange for Felix's coveted magic bag. The game is filled with various dangers and traps around every corner. There are helpful items to collect and bonus rooms where you can power-up! Use over 10 different magical power-ups to save Kitty.

The variety afforded by the magical bag o' tricks gives this dame some character, but what you're left with through a predominant amount of play is a standard side-scroller with some nice graphics and technique. The action never gets too heavy and the somical overtones, while missing the mark occassionally, are fun.

With great games like this one the old 8-Bit Nintendo could last another year. Easily one of the most enjoyable NES games to come out this year and definitely worth buying. Felix plads well and has lots of different items to find great animation and a long adventing will keep the whole family busy for quite some time.

This just may well be one of the last 8-Bit games really worth playing. The theme is killer and brings back one of the coolest cartoon characters around. Tons of special items keep the game interesting. Cute graphics and OK sounds combined with solid game play, make this cart a winner. Grab your magic bag and save kitty!

Surprisingly, the 8-bit king still has a little lift in it, thanks to games like Felix the Cat. The graphics and sounds are cute, but I want to see this in 76-Bit. If the programmers can trapsigle this theme and story into the 16-bit world, it's sure to be a hit. As it stands an #Bit, however, Felix is still a bag of fun!

Genesis	Virgin
Tyro	ants
Strategy	Now
27	8 Meg
Rose \$500sc	INE PRESENCE

There's a new planet on the universal map and a rivalry has started between the neighborhood deities. You must pick one of four different gods and set up a race of people on the planet. Your race of people will advance in civilization and weapons technology as time passes. The object is to build better weapons and stronger fortresses so you can crush the other races and claim the planet as your sole prize.

This game is a combination of several proven concepts that works well for me. Although the game never teaches a burning crescendo, the steady pace of the game, coupled with its very good graphic and sound support, make it worth investigating. The plot is proliving and delivers on its promises.

Definitely not the type of game for the player who wants Instant gratification. Tyrants is a game that equires thinking and progress is slow if you ever liked to control peoples destingthins is the one for you. Kind of like a cross between Populous and the Sign eries. Not bad but not for everybody.

No offense, but this game bores me. The game play is too similar in concept to Populous. The graphics are nothing special and the music is average for the Genesis. Once I got through, the first couple levels, the game got extremely repetitive and I became uninterested very quickly. Not my cup of tea.

Games like Tyrants are generally best left to computer gamers with the patience for such slow, repetitive game play. By adding more action to these titles, it could be entertaining. While the concept is fine, as well as detailed graphics, the game itself moves to slowly with not enough surprises for high interest.

Genesis	Sega
Sports Tal	k Football
Sports	Now
N/A	12 Meg

Joe Montana is back for his third attempt at grid iron action the Genesis. This cart features official NFL teams and play-by-play digitized announcers. The game has plenty of new features and a zoom-in effect that brings you into the action. Play through a full season as the computer keeps track of the American and National league and sets up the big Super Bowl game. Realistic football action is the goal of this sequel.

While the Madden series have always been my favorite footbill ames, Sega is making some strides in the right direction with this soft. The gloss is heaped on in the second sequel, with many new features being joined by official NFL licenses. The play control still comes up short, however, although it's an improvement.

It looks like Sega has finally created a spectacular football game if anything the voice is worth the price of admission. The announcer really can talk and his voice is superb. No garbled speach here and his vocabulary is quite extensive. More importantly the same prays outstanding and a good change of pace from Madden.

This is the best football game that Sega has brought out yet, but it still can't compare with Madder. The new additions to the game play and the improved voice are very cool. The zoons in view of the action is a great effect and the game play has really improved since the last cart. A good appetizer to hold you over till Madden '93!

The best thing about Sports Talk Football is that you KNOW Madden 93 will be that much better! Sorry Sega out as impressive as ST FB is, it feeds more clarity and control to size up to the rock solid feel of the Madden rittles. With a few adjustments the wo series of football games will be neck and neck!

Get behind the controls of the one of the most powerful attack helicopters in the world. This cart is a flight simulation and action packed shooter all in one. Choose from an Apache or the top secret LHX helicopter and take to the skies. Realistic polygon graphics depict the action from five different views. Equip you copter with state-of-theart weaponry and go on a courageous mission for your country.

LHX suffers from the same ailments that plague carts that try to reproduce arcadequality polygon g<mark>raphics</mark>. The overall environment is sparsely drawn, the action is painfully slow even in the heat of battle and the goals repetitive. It does deserve credit for being the best poly game so far - but it still left me unimpressed.

A good copter simulation but game play is hampered by the not quite perfect polygon graphics. Not a lot of background detail but with enough targets to shoot at you won't spend much time looking around at the scenery. Good control of the copter and the missions get harder as you get better. Good but not great.

Surprisingly, the Genesis really handles the polygon graphics in this game well. The game play is a little shaky, but there is plenty of control and the helicopter is easy to fly. There are lots of targets to destroy and the missions get rather difficult as you progress. It's a good thing you can blow up the camels or I'd get bored.

LHX Attack Copter is pretty stable for a polygon flying simulator! The graphics break up a little around the edges sometimes, but overall it's a good shooter with plenty to target Even the challenge is fairly consistent, increasing steadily right up to the final stages Look for possible sequels to this one with cleaner graphics.

An evil armada of cyborgs are trying to take over the world and Air Zonk is the only one who can stop them. Zonk had a spell of amnesia for a while, but faithful gamers across the landhelped him remember his name. The game play is loaded with 8 power-ups and 10 special options. There are 5 stages of nonstop scrolling action and huge cartoon-like bosses waiting at the end of each challenging level.

While this game tries to buy some faith on the Bonk franchise, it really doesn't need to. Nor should it. This game is totally original and a worthwhile investment. Using some of the dandiest graphics to show up on the Turbo in some time, Zonk delivers a fast-paced blast-out, with a title character oozing with personality. Good job!

Zonk, Bonk, whatever. TTI has taken the old caveman and updated him for the 90's. They did a good Job also, especially by not relying on the old character to carry the game. The new Zonk has a per-sonality of his dwn and this is probably the best way to break away from the Bonk series. One of the best Turbo games!

A great addition to the Turbo library! This shooter has a unique theme and really shines. Graphics are well animated and very colorful, with end Bosses that are huge!. The game play is filled with powerups and loads of enemies supported by music that is totally cool! Zonk is a fun shooter with more than enough challenge.

What can I say? Air Zonk is really hardhitting fun with awesome colors and sounds! The enemies are just as entertaining as the main character himself, and wait until you see the last Boss! Wow! The TurboGrafx-16 is really beginning to make a turn-around/ I can't wait for more Zonk titles in the future!

Turbo Duo	Hudson / T.T.I
Gate of	Thunder
Shooter	Now
7+	CD-ROM
30 - Store 1993	
	GOLD SOURCE
6 6 Y	U-AMA

This disc will be one of the pack in games on the 3-in-1 disc with the Turbo Duo or will be available for the regular Turbo CD with the new system card. The game is an explosive side scrolling shooter with 7 levels of intense action and huge end-of-level bosses. There are three main power-ups and they can be powered up threefold. The game features a CD musical score and loads of cinema displays at the intro and ending.

Gate of Thunder marks a milestone for the Turbo! This is the first disc game that is all-out fun from start to finish. Despite a lack of difficulty, the action, graphics and music of this title are top-notch all the way! The game has been deftly orchestrated and gives shooter fans new reason to look into the Turbo CD.

Talk about intense action! This shooter holds its own when compared to the best action carts on any system. Tons of enemies, huge bosses and excellent graphics. Fantastic music tool While challenging it could have been harder, but only the best of players will blow through this shooter in a short time.

Gate of Thunder is without a doubt, one of the best shooters that t've played in a long time. The graphics are phenomenal, every end Boss is huge and is awesomely detailed. Incredible music and tons of cool cinemas also enchance the disc. The best thing is the near-perfect game play. It's only vice is the ease of its play.

Now this is a shooter to watch for! It really has what it takes to bring home all of the flash and fire of a full-blown arcade machine! Superb graphics highlight every scene with high detail screaming colors, and great sound! Large Bosses up the ante with intense battle sequences quaranteed to please!

May The Force Go With You.

Watch out Luke! This Sand Creature throws space age fire barbs.

On Mos Eisley, stormtroopers keep Han Solo from the Millennium Falcon.

If you use your lightsaber, you can take out the Garbage Monster.

The
Death Star
threatens to
crush the
rebellion forever.
Darth Vader holds

CIRCLE #139 ON READER SERVICE CARD.

Like many cliches in society these Lemmings don't have a mind of their own and are brainless when it comes to danger. You must be the one to lead them safely through 30 levels of dangers and lemming traps. Choose which lemmings should do the job that will save the rest. Sometimes one of these little dudes will have to be heroic and give up his life to save the others. It kind of gets you all choked up.

I've had enough of these little guys already! All I have to say for their Game Gear appearance is good job. You've managed to duplicate a puzzle game that I've never really had a fondness for almost perfectly. Newer levels and toned down visuals dien joely my earlier opinions of the game. Not for mel

Sega did a good job in making sure that the little rodents would be yisible on the small portable screen especially when they were alreadt tiny on the console versions. Nothing new feet but if you like to take your puzzles with you this is probably one of the basi to have come out for the game gear in a long time.

Lemmings are everywhere! The Game Gear does a good jet of bringing this sadistic puzzler to the portable frontier. The game play is foasteatly the same and very little has been lost in the translation. There aren't as many levels as other versions and the lemmings are very tiny on the screen. Above average time passer.

is there a wrong way to cook a Lemming? This lovely recipe is just what the doctor ordered for long farminy rings (just don't forget the car adapter)! Of course, there's nothing cute about condemning an entire race of Lemmings to their death, but saving them is a challenge worth 'gearing' up for.

A creepy clan of Neanderthal nerds has kidnapped all of your cave babes. Joe and Mac are the two bravest cavemen in your tribe and have set out to rescue the much missed damsels in distress. There are prehistoric dangers everwhere you go. Hungry Tyrannosaurs and pesky Pterodactyls are on the prowl. Collect primitive weaponry and fight your way through 5 levels of marvelous metazoic mayhem.

I liked this game a lot! The detail in the graphics, both the differenter animations and background scerey, is first-class all the way. The action is transferred from earlier versions with a floh attention to quality. The game is difficult to play whenever the action oligs along rapidly, but it still doesn't overshadow a great game.

It isn't often when a GameBoy cart plays, looks, and sounds better than its Nintendo cousin but the is grap of them. The game play is great and the character is easy to control. The game pics are unusually well done and it it wasn't for the GameBoy hardware problems this would have been a near perfect game.

Believe it or not, the GB version is better than the NES version the graphics are very detailed and the annotation is good. The Bosses are huge and actually look decent on the tiny GB creen. The game play is also very good and moves along very smoothly. Lead a headache this BIG from the constant blurring though.

Cute game, cute graphics, cute sounds, ancient system. Oh vell three out of four isn't too bad. The constant blurring (typical) really destroys what should be considered excellent graphics and detail! The game itself is mosterful considering the limitations, but no gamer should have to beg for glasses this way.

It's time to hit the grid iron and it's also time to hit the road. Don't worry! Now you can bring NFL action with you wherever you go. You can choose from the AFC or NFC teams and picks your plays from an extensive clipboard filled with defensive and offensive plays and formations. The field scales in and out depending on where the action is going down. Go for the touchdown in this realistic football cart.

I was not impressed with this game at all. The concept of a simple video football game has been cluttered with a lack of focus and poor implementation of what could have been could fitted to (like the isolation scaling). The control is poor and brings down the whole game. An NFL license does not a game make.

I had high hopes for this cart but it fell far short of being spectacular. Player control is difficult, partly because of the small screen and partly because of the poor animation. It is choppy when it moves and this doesn't help either. I liked the NFL teams but I would have rather had a better playing game with no name teams.

This is a decent football game for a portable system, but really think that it could of been done much better on a system like the Lynk. The game play is decent, but the scaling has a slight choppiness. The sounds are equally annoying. The use of real 4m; teams is a plus, but doesn't salvage this mediocre cart.

Ouch! What should have been a seven or an eight barely scores of field goal! The choppy graphics really make this intense game hard to follow! If the graphics can be smoothed out and the animations refined, we might see a really jammin' sequel on the horzon ontil then, I'll wait for baseball season.

Only one's

SLEEK, EFFICIENT, EVEN FEARED. ONLY ONE CONTROLLER STRIKES

CONTROLLER CAN INSPIRE TERROR IN THE HEART OF YOUR OPPOSITION, OR GIVE YOU THE EDGE AGAINST THE TOUGHEST SUPER NES GAMES. WE CALL IT THE ASCIIPAD.

INDEPENDENT TURBO CONTROL gives you the most powerful bite. Twenty shots per second will break your opponents down in no time.

AUTO TURBO. It's like a continuous feeding frenzy. Hands-free, and fully-automatic, too. And, like Turbo Control, you get to pick which buttons to power up.

a killer.

SLOW-MOTION means you'll never rush through a meal. Get the time you need to master the newest and toughest games. After all, they're not getting any easier.

ADVANCED DESIGN AND A COMPETITIVE PRICE. When you're hungry to win, reach for the controller with some bite.

THE ASCIIPAD, FOR THE SUPER NES. USE IT OR LOSE IT.

INTRODUCING ERSN 1ST ROUND LIMITED EDITIONS

Look for this sticker on all EASN 1st Round Limited Editions. Each 1st Round package has its own unique number and contains a special offer for a free* limited edition collectible.

NHLPA® Hockey '93 for the Sega Genesis offers a stadium quality 2' X 3' NHLPA banner. Made of durable Tyvek™ it has metal grommets for hanging. It is the first of the series and it is only available from EASN.

NHLPA HOCKEY '93 1ST ROUND EDITIONS AVAILABLE TODAY.

game with the greates run anywhere. The top of the charts since day one.

This year, Madden really makes history.
Twenty-eight updated pro teams. The eight greatest teams of all time—

greatest learns of an time— Miami '72, Oakland '76, Dallas '77, Pittsburgh '78, Washington '82, San Francisco '84, Chicago '85, New York '86. Plus the '92 All-Madden team and his Greatest Ever squad.

Here are my picks

So you can pit the Hogs against the Steel Curtain. And see who lands on top. In all, thirty-eight different teams. Think you can find a more hard-hitting game? Take a hike.

DESCRIPTION OF THE PROPERTY OF Talk about a game with Madden written all over it. Madden '93 has vards of plays. A total of 125 including new audibles. Each from the pen of John Madden, Including the no-huddle offense and a quarterback kills the clock play.

It's a game of match-ups-Madden's brand of football Each team scouted by the man himself. Battery back-up saves game and player stats through the playoffs. Make the right match-up at every position and you'll go all the way.

The action's never been more explosive. Shoestring catches. Clothesline tackles. Head butts. Defensive shifts. Safety blitzes. Taunts.

The more intense the action. the more excited Madden gets. Blasting out comments like "Boom!

Madden's playbook has some big surprises. Get caught in the wrong formation and you'll get burned.

Call the no-huddle offense and you'll give an out-of-position defense the slip.

With head butts and shoestring catches, this game definitely

A split play-calling screen keeps the other side of the line on its toes. Tougher computer opponents keep you on yours.

JVC/Lucasfilm's SUPER STAR WARS

#1

Super Star Wars is the game that has done the unthinkable - it has toppled Street Fighter 2 from a top position held since the game's introduction in July. The incredible graphics and game play have made this SNES title an EGM staff favorite. We received a copy of Sonic 2, however, and that game has debuted high.

Super NES

...Nintendo Announces 32-Bit CD-ROM...New RISC-chips for the Super NES...Jaguar Developer Targeted... ..SMSG Designers Named...Sega Expands Game Design Network...Tandy Gets into Games and Machines...

...Step right up to the new fat-free Quartermann column that gives you all the great taste you expect from a gossip column without any of the calories! The Q-Mann has scoped out some great gaming goodies for you this month, kiddies, including boffo news on all of the new consoles for you hardware heads out there! Without further delay, let's open this Oreo wide open...Hold your breath if you want to turn blue, but not if you expect to be playing CD games on your Super NES any time soon. The big 'N' has nixed their plans to belly up against Sega's impending machine, privately indicating that they don't see CD games being that different from regular carts. While this isn't a bad call in the Quartermann's eyes, Nintendo is keeping their hands wet with development of a 32-Bit CD-ROM complete with a slick custom chip set that they say could be ready by August of '93. Sega gets its head start again, but with the enhancements Nintendo is promising in their CD design, we might see the mighty mega-power of gaming quickly taking over Sonic's home turf - but only if the unit proves to be more than smoke...

...Replacing Nintendo's next super system is a super chip! The terminators of Nintendo have developed proprietary code that enables the Super NES to display higher quality 3-D softs without the need for a hardware extension! The Super FX chip gives the Nintendo 16-Bitter the power to deliver shaded polygon images through RISC-based technology. Expect the first title to use the innovative ROMs to hit in February, with a slew of third-party products to follow...The Q-Mann's been sporting wood over the new DSP chip that enhances the processing speed of the Super NES. But now I hear that the games that utilize the zippy Seta chips could cost over 100 bucks! Timberrrr...

...Yours truly has finally zeroed in on the developer of the super secret Atari Jaguar project! As the Q-Mann pegged previously, the system is being designed in Europe by a company contracted by the Tramiel Trio. The 64-Bit (yeah, right) miracle machine supposedly uses RISC-based technology to produce shaded polygon images like those found in arcade drivers like Virtual Racing (deja vu)! The hardware house responsible for Atari's last gasp is called Flare. Look for a debut around the Summer '93 CES where Atari hopes to have 20 titles ready to go! 20 games with no development staff? No way Hans, no way...While we're on the subject of game development, Sega plans to open a midwest R&D house under the command of industry veteran Joe Robbins who's late of Sunsoft. The group is looking to produce two carts and one CD project every year for the Genesis and could begin on Virtual Racing as their first multi-media project! Don't understand why you picked our neck of the woods, but welcome to the neighborhood...

...Now on to the machine that no one but Quartermann wants to talk about. The EA/Warner/Matsushita team is readying a test of their play-by-cable system, the SMSG, for early next year somewhere in the north-east according to recent rumors. A consumer version, with CD capability may also be made available later in the year. What all you Quarter-maniacs may not be aware of, however, is that the design team that put together the latest in video game technology is comprised of almost all the same members that also gave birth to the Lynx hand-held and Amiga computer...What's the only thing worse than having the "exclusive" to a game that EGM covered months earlier? Putting a hologram on your cover that's the same size as the editor's...News from the Japanese front points to new and improved Genesis games just around the corner! The buzz on the street says that the Genesis will soon be able to display more colors, choose from more colors and enjoy enhanced resolution through a number of nifty software tricks! The Q-Mann will keep you posted...

...Look for Tandy (the buds from Radio Shack) to promo their CD-I driver soon with an Inspector Gadget game. How many chips will be wasted before the white shirts wise up and develop a uniform CD platform that all softs can use?...Don't trust a game mag editor named after his underwear...Well, we knew that Data would find his head, but I've got my fingers crossed that Q makes an intro sometime soon!...Till next time, stay fluffy...

- QUARTERMANN

Championship Joystick

For Those Who Know How To

Experience the excitement of the Street Fighter IIM arcade game...at home! There is no other controller on the market which offers true arcade playing action, with the size, feel and durability of the Championship Joystick.

So, while others may claim that their controllers are "Arcade Quality", only C&L Controls delivers true arcade action for your Super NES.

SUPER-FX CHIP BRINGS 3-D TO SUPER NES

During the prestigious Shoshinakai Software Show (basically a Nintendo-only trade show) in Tokyo, Nintendo of Japan president Hiroshi Yamauchi confirmed reports that Electronic Gaming Monthly had been making for several months. On August 26, 1992, the top dog of Nintendo unveiled plans to use a new chip set, called Super FX, in future 16-Bit Super NES game cartridges.

The proprietary chip used by the FX extender is based on RISC technology and includes a digital signal processor. The chip has been designed to perform high level mathematical functions enabling the Super NES to now display textured mapping, shading and real-time three-dimenstional effects. The quality of the new visuals is reportedly so good, according to Nintendo, that

Is this the future of video games? Nintendo and Atari think so.

they claim their 16-Bitter will be able to out performanything currently on the market.

The first set of softs to utilize the new Super FX chip will be released by Nintendo in February, 1993. No title was given, but it is known that third-party licensees won't get their hands on the technology until early next vear.

The Super FX chip is not the first DSP upgrade available for the Super NES. Game licensee and developer Seta has introduced a new extender that enhances the speed of the console to nearly 8MHz! The first game that will take advantage of the innovation in a big way will be F1-ROC 2 which should find its way onto store shelves sometime in the middle of next year.

The Seta-designed Digital Signal Processor chip speeds up the SNES!

The Nintendo chip will allow the Super NES to really take on Atari's Jaguar system, which is also based on RISC technology (although insiders who have seen both hint that the Atari hardware still surpasses Nintendo's software upgrade). The first real casualty of the Super FX chip was instead Nintendo's own CD-ROM drive (see related story).

Super Mario Kart is but one of several 16-Bit games to use add-on chips.

SUPER NES 32-BIT CD COMING NEXT YEAR

Coinciding with the announcement during the Shoshinakai Software Show in Tokyo, Nintendo announced that they are shelving plans to have a CD-ROM drive on the market any time soon.

Earlier conceptual drawings of the Super NES CD-ROM now seem wrong.

Instead of competing directly with Sega, Nintendo now hopes to battle out the next generation of gaming on their own terms, sometime in late 1993.

To gain the overwhelming advances that Nintendo feels CD-ROM needs for success, they are continuing with the development of such an accessory but will instead base it on a new, custom 32-Bit processor.

Nintendo of Japan president Hiroshi Yamauchi indicated that a 32-Bit Super NES CD-ROM peripheral could be in production by August of 1993. Further plans will be announced at the '93 SCES.

GENESIS AND NES GET MODEM GAMING

One of the first peripherals originally unveiled for the Sega 16-Bitter was the Tele-Genesis modem. This "revolutionary" device was touted as the next generation of video games at a time when NEC was countering the Genesis with their own CD-ROM add-on for the Turbo Grafx-16. Ultimately, the Turbo upgrade failed to meet with widespread acceptance and the Sega modem, once it became evident that the threat from NEC was hollow, never saw the light of day in the states.

That fact hasn't deterred a new upstart from seeking to plot its own growth in the telephone gaming market.

The Teleplay Interactive System, being released in the Spring of 1993 by Baton Technologies, promises to deliver on the promises Sega made over three years ago! Their unit goes beyond the wizardry of the original Sega device, however, to also include NES games, a faster baud rate and a number of game releases that take advantage of the unit.

Sega's Tele-Genesis modem promised play over the phone lines but ultimately fizzled. Although a Sega modem network was started in Japan, it never gained acceptance.

While info on the new network was sketchy at press time, the basic elements of the add-on have been revealed to EGM.

The modem operates as a standalone attachment that connects to the Genesis via the expansion port. A separate lead going out of the Teleplay System then runs to an operating telephone jack. You dial another Baton modem owner, follow the on-screen prompts, and play away!

While the company has privately indicated that they intend to have a Nintendo version of the system available soon, and that cross-platform play (with Genesis and NES owners competing at the same time) may be possible, no working details were divulged. Although such a feat may be possible, it would seem likely that the quality of the games would mirror the technological restrictions of the NES, rather than the options afforded by the Genesis, if head-to-head play were possible.

The system runs at 2400 baud, another indicating factor that the quality of modem play may be limited for the same reasons that eventually sent the Tele-Genesis to its grave. The first game, Terran Wars, is far from complex, but still remains a competitive two-player title.

Supposedly the device will also make additional upgrades, such as computer keyboards, accessible to Genesis modem users. In any event, modem gaming appears to have arrived.

The Baton Teleplay Interactive System will bring modem play to console users for the first time! Although not expected to be available until Spring, the system is shaping up!

ORANIPIC GOLD

Official Licensed Product of the 1992 Barcelona Olympic Summer Games.

Available for

HE GOLD ...

7 Olympic Games Events

Barcelona, 1992. It's the Olympic Summer Games, and your once in a lifetime chance to prove yourself in a world arena. You'll hear the crowd, feel the heat and experience the total rush of the ultimate competition. Break a world record. Smash an Olympic Games record.

Or beat a friend. Here's the rundown:

Trajectory, speed, angle of descent, you get the idea.
Don't you wish you paid attention in physics?

The hardest event. Plant the pole and time your release to clear record heights.

You'll need a fast start and warp speed to have a shot at the gold.

The farther you pull the bow, the harder to hold your aim steady.

Bang those turns but conserve your strength to sprint for the gold.

Four required dives and one you improvise. Scores based on difficulty, execution and entry into water.

Timing your jumps is everything in this event.

Light the torch and let the Games begin . . . Fireworks will bring them to a close.

VIRTUAL RACING

With all the hype surrounding virtual reality, it is refreshing to see a company take full advantage of what the technology has to offer.

Sega has created a racing masterpiece in Virtual Racing, which uses incredibly fluid polygon graphics and an air bladder system to give you the sensation of motion.

You can select between four different viewing perspectives including behind-the-car, top view, aerial view and cockpit view. The lifelike racing sensations are extremely impressive and exciting!

· HOW IT RATES ·

With the use of everything from air bladders to simulate motion to a steering wheel that features a ension mechanism for added ealism, Sega succeeds in creating one of the most realistic racing pames ever.

The polygon graphics are smooth and mobile. The selection of views as well as transmission ypes enhance the already fantas ic game play. The machine ever nas link-up capabilities which will allow multi-player racing!

Virtual Racing leaves all other acing games eating its technoogical dust!

Overall:

Be careful! Spectacular crashes like this await all impetuous drivers!

Choose from a large variety of viewing options. Here is a behind-the-car view.

AMERICAN AMUSEMENT MACHINE ASSOCIATION

Check your speed frequently. The display is located in the lower left corner of the screen. If you take a turn too fast, you'll wipe-out!

CAN YOU WITHSTAND THE WAR LORD? THE INFERNAL LORD?

Battle minions of evil that will overpower your screen!

Keep track of your warrior's weapons, hit points, and magic ability!

Control 8 warriors and their destinies in a chaotic world!

ANG BARIUS

LIVES!

From the flaming depths of evil, he returns, bringing forth legions of monsters more vicious than anything the world has ever known! Gather your wits and grab your sword! Team up with a band of worthy companions to search for treasure and magic. Then prepare yourself for a vicious battle against the evil King Barius!

GALAXIAN 3

Galaxian 3 by Namco is, guite frankly, like nothing you have ever seen!

The game uses an advanced 32-Bit processor which generates some of the smoothest polygon graphics seen to date. Everything about this game is revolutionary.

Up to six players can compete at once on two very large screens. Sit back and enjoy the ride as you are catapulted into the interior of huge star cruisers, rocketed through large fields of automated laser turrets and chased by relentless alien fighter

If you suffer from bouts of motion sickness. this game is definitely not for you! Galaxian

3 represents the new wave of video game technology. Keep an eye out for this one

Rocket in between the auto-turrets while nullifying the alien fighters!

folks, just in case it makes its way to the U.S. And remember, you saw it first in EGM!

Fly through the alien battle cruisers in order to destroy their reactors!

After neutralizing the alien armada, you will do battle on the planet's surface!

FINAL LAP 3

Namco's Final Lap 3 is another cool racing game that appears to have all the earmarks of a winner. With killer graphics and multiplayer capabilities, it's no surprise that this is a game that everyone is talking about.

Choose your course and get ready for some high speed excitement on different tracks from around the world. Keep an eye on your rear-view mirror and watch the clock as you wind in and out of dangerous hairpin turns.

Your competition is out for blood, so be prepared! Namco has out-

Step on it! This game has realistic graphics and multi-unit integration!

done themselves and spared no expense in capturing the look and feel of real Formula One racing. Expect this game to be one of the hottest at your local arcade! Start your engines and head for the checkered flag!

BUCKY O'HARE

He's here! Everybody's favorite intergalactic hare is blasting onto the arcade scene! It's Bucky O'Hare from Konami!

Based on the nonular cartoon series. Bucky and his friends

must try to neutralize the threat of the evil toads. Bucky O'Hare

Help Bucky save his friends and the universe from the evil toads! Yow!

boasts excellent graphics, great game play and some truly riotous sounds. In addition, you can play with up to four players for a real

video blow-out!

This game looks and sounds just like the cartoon. Smooth animation helps to make Bucky O'Hare one of the slickest arcade titles

around. Those terrible toads won't

Bucky can collect blaster power-ups and super weapons to aid him in his fight!

stand a chance with Bucky O'Hare on the case! Look for Bucky to land in an arcade near you soon, and be prepared for a hare-raising good time!

Riddles Unravelled The Doc Delivers the Cure

Y'know, yours truly has been serving as The Game Doctor since 1981, and in that time I've worked on some pretty popular magazines. But never—I repeat, never—have I seen such an incredible outpouring of patients before coming here to EGM. Wow, I really appreciate the business!

Okay, enough with the intros, let's get this show on the road.

Q: I recently found a picture in a magazine of Red M. Bison vs. The Blue Chun Li on Zangief stage in Street Fighter II. Underneath, it said from the streets of Super Nintendo. Now I really want to know if there is a code to make SF II into the Champion Edition. Of course, right after I saw that picture, I started to make calls. I hesitated to call Capcom because last time I called they told me there were no codes at all for Street Fighter II. I was really mad when I found out about the player vs player code.

So if you can, Game Doctor, find a code to make it Champion Edition, and if there isn't a code clear up all the rumors that are going around. Thanks. Doc.

Mike Beidel Wausaw, WI

A: Well, I'm sure vou've already read in EGM about the "secret code" available in Street Fighter II. But first, let's discuss the differences between Street Fighter II and the Champion Edition. In the Champion Edition two things are now possible: players can operate Bosses and two players can both choose the same fighter. There is a code which allows the existing Super NES version of Street Fighter II to access the mode in which both gamers can use the same fighter, but so far as the Doc knows, no code has been uncovered which allows players to become Bosses. EGM will be the first to show you if one pops up.

A quick reminder: anyone promised a Game Doc Prize Packet who doesn't receive it within two weeks of publication, drop me a POSTCARD (not a letter) addressed to: Game Doctor Prize Packet (MIA). Because of the massive influx of your letters and other information my office, sometimes these packages get misplaced.

Q: How is it possible that CD players can run video games?

Jamie Passey Bellingham, WA

A: CDs in the gaming world can be used in several ways. We traditionally think of them as possessing great audio and often supplying actual human speech for printed text, but when it comes to high frame-rate arcade-style games, CDs can have problems.

Playing video games, however, is something CDs can do as easily as cartridges, floppy discs or any other memory storage medium. The CD-ROM systems generally dump all the code into a buffer, which can then run the game without any search and display problems. A CD. after all, can hold up to 550 megabytes, so memory space and great sound are its strong points. The only problem occurs when a system's buffer isn't big enough to hold an entire game in resident memory. In fact, the major problem with the original TurboGrafx-16's CD drive was that it didn't have enough buffer space to hold an average-sized game. TTI's new version basically increased the buffer space to bring it up to standard.

Good question, Jamie!!

LETTER • OF • THE • MONTH

Q: I think the new Lynx looks cool! I was wondering if there is any way I could trade my old model Lynx for the new one? I hope you can help me out with this one, Doc.

David Smith Alvord, TX A: According to the folks at Atari Customer Service, (408-744-0880) you can send them your old Lynx along with \$55 and Atari will mail you a new model Lynx with a full warranty. Write to: Atari Service Center, 390 Caribbe

Will the Master Gear Converter Always Work?

Q: Last night I mail ordered a Master Gear converter for my Game Gear. Early this afternoon, however, I was reading a back issue of a magazine that reviewed the device at length.

The review said that there were two games that reportedly to have problems with the display hardware inside the Game Gear. Phantasy Star (I was heart-broken) and Lord of the Sword. What are these problems? Is the text just blurred, or is it like old Atan 2600 flashbacks?

Buck Rogers Abilene, TX

P.S.: Buck Rogers is not my real

A: Well, Buck, or whoever you are, the problem is that the Game Gear was never really intended to run programs higher than 4 Megs and it does have problems with those games. The games in question, however, are not unplayable. A pixel or two might get scrambled or blink out then reappear, but it's nothing to make you give up on a favorite game. Otherwise, the play seems to hold up just fine.

P.S.: The Game Doctor isn't my real name, either.

Q: First of all, let me say that I've enjoyed reading EGM and your column in the past and for the most part found your answers to be accurate, Being a former Atari Corp. employee, however, I felt it necessary to point out an error printed in vour October '92 column, In response to a letter from Ed Bogers. you stated that Atari Games markets the Lynx while Atari Corp. is the coin-op company. This is incorrect. Atari Corp., which is located in Sunnyvale, CA, is responsible for the Lynx (Epyx being the original developer) and Atari Games in Milpitas, CA, develops the arcade machines.

Gary Barth Third Party Licensing Sega of America

A: Thank you, Gary. Did you ever have a mental block about something, and it's so strong, the more you have it wrong, the greater the certainty that you are correct? My apologies for the misdiagnosis. Q&A QUICKIES: For those folks who insist a Super NES can't be hooked up to a VGA monitor. I still say it should be possible. Try contacting the world famous Redmond Cable of Redmond, WA, These guys make adapters for everything. If it's only a matter of the pin connection, don't sweat it, they'll probably have something for vou-if not now, then next week. But as I believe I said once before-generating sound is going to be another big problem, since VGA monitors have no internal speakers...so why do all these folks want to hook up their Super NES systems to VGA monitors anyway? How about a T.V.?

By the way, because of the tremendous overflow of EGM letters, some of them may appear in our sister publication, **Electronic Games**, so make sure you check it out. Similarly, some computer-related **EG** or **EGM** questions may wind up in **CGR**, and so on. So check all three magazines—heck, buy all three—you won't find better coverage of the plugged-in gaming scene than you will from this triol

The Doc likes to share his good Os—besides, there's nothing I hate more than not being able to answer a great question because I don't have the space!

So, before I bid you all a fond farewell and head for the swimming pool with the Game Nurse, remember to send those questions, comments, corrections and such to:

The Game Doctor (EGM) 330 S Decatur, Suite 152 Las Vegas, NV 89107

The origins of Came Codes : when was the first one discovered?

Q: Are the codes used to change the various video games deliberately placed into games by the programmers or is it by trial and error that these codes are found?

Scott Brenenstahl Cherry Valley, CA

A: Yes, and sometimes, yes. First, let's get our terminology straight.

The very first programming trick was planted by a shrewd programmer in the Atari 2600 game called Adventure. Atari, which at that time did not believe in crediting game creators (and they say there's no such thing as karmal), was not pleased when they discovered it. But then the positive letters started pouring in and magazines started hunts for these little goodies hidden amidst the zillions of lines of

code. Even Atari realized it had a pretty good thing going. Tricks and codes have become a video game tradition ever since.

Sometimes, however, they get there by accident and are discovered by young gamers willing to sit for hours, trying every possible variation in order to uncover something special.

Happy hunting!

LONGER PLAY YOUR MONEY BACK

Control directional movement

Control directional movement with just a touch of your finger (no need to push).

INTERNATIONAL NEWS

By Terry Aki

Hello gamers! It's Terry Aki, back once again with the best of the best in international gaming! It has been a busy month for 'ol Mr. Aki, with two big-time major game shows in Tokyo this month! I even had to let EGM head ed. Semrad sleep over during his visit! Let me tell you, when this guy cuts wood he blows sound barriers! Yikes!

Anyway, on to games and the annual Nintendo Show held August 26th and 27th in Tokyo. As you can see from the following pages, Japanese developers have plenty on the plate as we head into the new year. Dozens of new games got their public premiere at the show and from what I saw many of them look great!

Fighting carts have become the latest gaming category in Japan. Almost every single company had some kind of Street Fighter 2 clone on display. While most were simple reconstruc-

tions of the landmark kick-fest, a couple titles showed promise. The Super CD and 12-Meg Ranma 1/2 softs showed promise as well as the Mega Drive and Super Famicom versions of Fatal Fury. If your fighting game has to have a number at the end of the title, scope out Fist of the North Star 6. It's a wild slug-a-thon with more than a few innovative touches. Although rumors that Street Fighter 3 is under development as a four-player simultaneous cart persist, no hard news has hit the streets in Japan.

The four-player Super NES adaptor from Hudson retails under \$20 in Japan

FOUR'S COMPANY...

Several companies are setting out to juice up the Super Famicom in Japan with cool peripherals designed to offer new options. From Hudson we saw a new four-player adaptor that allows the whole gang to play. Besides the four ports opened up by the device (due to appear in November), another player can still use the open slot on the control deck. Although it wasn't on display, you can bet that a four-player Bomberman isn't far behind. Konami showed off a new controller that uses a satellite dish to pick up infra-red from their new multi-task pad. Although Konami has no firm plans to pop into the U.S. controller market, the idea should surface from another company.

and more creatures

than ever before The quest is extremely large, with complex puzzles and various traps to confuse and challenge players.

In the combat scenes, you can cast magic spells and use various items on enemies.

Travel to exotic lands on the colorful overhead map. Danger awaits at every step!

WOLFTEAM OF JAPAN

TIME GAL

MEGA CD-ROM

CD-ROM

Time travel is at the core of this new CD game. In Time Gal, you is using time travel to alter Earth's history and become its ruler!

An evil leader has developed the capacity to travel through time and plans to use his knowledge to take over the world. A woman has found his machine, however, and plans to use it to stop the dictator.

Time Gal is played in a fashion similar to Dragon's Lair. All the action is displayed on cinematic screens that are intense! The motion is fluid for the CD medium and opens up a new "Interaction" category that other games are sure to follow.

Journey through the time zones to reach the dictator and put a stop to his dastardly plan!

Anything is possible in Time Gal. including a trip on a mining cart!

Welcome to the past, a place where everything is not as it appears!

Watch your step! Quick reflexes are needed to move across this bridge.

The evil dictator is determined to make the world his playground.

Take It To The Streets...

CRASH MEBOYS STREET CHALLENGE

"Crash" Cooney and his posse from Southside High own every sports record in Spring Hill history. Legends? Heroes? Not in this town—where Todd Thornley and all the rich snobs up on the Hill think Southsiders are low-lifes.

So Todd and the silver-spoon mama's boys at the three "Hiller" schools have issued a desperate challenge to save their fading reps: Let's take if to the streets in the Southside...no rules...no refs...no penalties—and we'll see who comes out in one piece.

And just in case the Hillers can't handle Crash 'N' The Boys, Todd's rich daddy has fielded Team Thornley—a ringer group of super-athletes from Thornley Industries.

Five radical events. Five motivated teams. Five members per team. Only one winner.

RASH MBO

Southside's Crash Cooney sets another 400M Hurt-les course record. Crash and the Southside Boys—Cheese, Noise, Dragon and Sting-Ray—put the Hillers to shame.

Todd Thornley forgets to let go and takes a ride in Hammer Throw Golf. His Washington High team has been humiliated by Crash once too often. This time it's personal.

"Spreck" Spreckles, Jefferson High's captain shows his lethal moves in the Water Slaughter. He thinks Lincoln and Washington are almost as bad as Southside. Almost.

Artie Van Smythe vaults from rooftop to towering rooftop in the Skyline Scramble. Lincoln High's team captain despises the Southsiders—especially Crash.

Rocky Rockowitz makes use of the devastating super kick in the Judo event. The elite, computer-controlled Team Thornley is out to crush Hillers and Southsiders alike.

Tie-Breaker Questions

The tie-breaker questions will determine the winner if two or more entrants have achieved the same qualifying time in any of the events. Make sure you answer both questions.

THE ANSWERS TO THESE QUESTIONS MUST BE WRITTEN ON A PLAIN 3X5 PIECE OF PAPER ALONG WITH YOUR NAME, AGE, ADDRESS AND PHONE NUMBER TO QUALIFY FOR THE TIE-BREAKER.

Question 1:

What gift does Todd bring Team Thornley at the airport, in the victory animation sequence following a 1-player Tournament victory by Southside High?

Question 2:

How many gold medals are available on the Hammer Throw golf course?

...And Win Your Share of \$5,000 Cash!

Show The World Just How Good You Are...And BAG BIG BUCKS!

In May, 1993 American Technos and Electronic Gaming Monthly will award a total of \$5,000—IN CASH—to the country's top gamers. We'll dole out the dought to the top five record holders in each of four **Street Challenge** events: 400-M Hurtles; Water Slaughter; Skyline Scramble; and Judo.

You'll be able to keep track of the current world record and record-holder right here on our World Record Holders Board—which we'll update each issue between now and March.

Can you get your name and record up on the board for the world to see? Even more important, can it stand up against all

challengers month after month until we make with the moolah? Remember,

Remember, you're goin' up against the best and just like you, they can't wait to get their hands on

get their hands on some serious coinage.

Contest Rules Please Read All Rules Carefully!

To Enter: Send a photo of the game screen showing your best time in PRACTICE mode of any of the four listed events to: "I'll Take The Challenge", 2401 Broadway, Suite 103, Redwood City, CA 94063

Write your name and phone number in ink on the back of your photo for identification (on Polaroids write on the front border). Then, on a plain 3x5 piece of paper hand print your name, address and phone number, swell as your answers to both Tie-Breaker Questions 1 and 2 listed here on the World Record-Holders Board. (See Tie-Breaker below)

Entry Restrictions: Entries must be from the game's PRACTICE mode in order to qualify. (In Practice Mode you are not able to buy extra power-ups, to keep everyone competing on equal footing.)

3. Photo Sequiments: After completion of an event in PRACTIC mode, wait until after WINDLR ... anouncement completion by dispepars. The server and instrustically pause. Do NOT PRESS ANY BUTTONS. With the gains on this screen you can take your common sequence of the present pres

INTERNATIONAL === NEWS ===

TERRY AKI BEATS THE STREETS...

The good word from the trenches of Tokyo were the long lines of players hoping to get their hands on Super Mario Kart. This super soft has flown off shelves like lightning, with no end in sight. Stores won't even take deposits on this hot little item and no wonder - it's a great game with loads of technique!

Another super soft in short supply right now is Toho's Super Aleste. Soon to be Space Mega-Force in the states, this all-blasters-out shooter has scored a direct hit in Japan!

Things aren't so rosy, however, for the Sega Mega Drive, Our 16-Bit contender has dropped in price on the street as has interest in the machine. Coupled with the poor reception the Mega CD has received (although new titles have perked interest slightly). the current rumor has Sega rushing to finish their 32-Bit wonder system, the Giga Drive, for sale at the end of '93. Although the Sega president confirmed that such a device was in development, my friend Quartermann has told me that Sega is privately reluctant to intro a new system when their major focus stateside will be the Sega CD. With Nintendo bowing out of the CD sweepstakes, Sega's push for CD gaming is likely to be hard.

Is 32-Bit gaming around the corner? Sega may offer games like this soon!

SOFEL OF JAPAN **FLYING HERO**

SUPER FAMICOM

UKN. MEG

CARTRIDGE

Sofel's latest entry is called Flying Hero. Cast in the role of a "ping pong ball with wings," you fly over and through colorful terrain while facing a barrage of cartoonish creatures!

Flying Hero uses an overhead perspective, giving you a great view of the surprises that lav ahead.

A very original title, look for Flying Hero to possibly show up on these shores.

With all the enemies in vour way. extra firepower comes in handy!

The first boss has an easy pattern. When it raises its wings, shoot it in the belly.

SIMANT

INFINITY OF JAPAN

8 MEG CARTRIDGE

Sega does have many reasons to be happy, however, especially as the latest chapter in their Phantasy Star series nears completion. With only a couple of months left in development, Phantasy Star 4 is quickly shaping into one of the best RPGs

ever made.

Continue the guest from the second Phantasy Star in Sega's new sequel!

a member of

the "Mouse Project" series of games for the Super Famicom.

SimAnt is

These games utilize the compact mouse that is revolutionizing RPG and simulation games!

SimAnt puts you in control of an ant colony. The goal of the game is to increase the population of your black ants while wiping out the red and yellow ants.

There are other options that allow you to experiment with your ants. Do you what fate faces ant under a magnifying glass?

The fun of an ant farm is retained in a sim light on theme but heavy on play.

A worker ant is moving food into a storage chamber for later use.

Various pop-up menus allow you to change your ants' progress and duty.

INFINITY OF JAPAN

POPULOUS I

SUPER FAMICOM

8 MEG

CARTRIDGE

Populous II is yet another Super NES "Mouse Project." Of course, the mouse is not required, but does make play easier!

In Populous 2 you become a powerful god, overlooking great lands! A computer classic ported to the Super NES, P2 proves to be faithful to its source in nearly every way.

The object is to compete for the most followers. Evil entities are a constant threat to your quest and

you must keep your subjects happy by casting mass destruction spells to rid the land of evil influences.

The thunderstorm miracle clears the land of trees and other obstructions.

The volcano is the ultimate miracle.

It causes massive destruction.

INTERNATIONAL NEWS

Terry Aki has learned that Phantasy Star 4 will NOT be a follow-up to the third installment. Instead, Sega will take us back in time to the generations immediately following the second game! Part four will remain within the same setting, although the scope of the game will be much larger, encompassing dozens of lands instead of the handful that were traversed on the 8-Bit Look for a lot of loose ends in the series to be tied up with this game, which should weigh in at 12 to 16 Mea!

Technosoft's brilliant Sega shooter, Thunder Force 4 (which is a sequel to part three) will be making its way to the Genesis courtesy of Segal The game will be renamed Lightening Strike.

INTERNATIONAL NEWS ===

Really Popular Games

Two of the hottest and most eagerly awaited carts in many Tokyo moons just happen to be RPGs! Both Dragon Quest 5 (the first 16-Bit entry in the obscenely successful series) and Final Fantasy 5 have kept deposits high in anticipation of their respective September and December release dates. Those of you who follow EGM will realize what a milestone Dragon Quest's release really is. The game was nearly finished when the soft was re-worked to eliminate similarities to early efforts. The "new" Dragon Quest should sizzle on the Super Famicom!

Final Fight-CD has kept Japan guessing...combo play or solo once again?

Big rumors also surround the unveiling of Final Fight CD, due December for the Mega CD. Although everyone's hoping for an accurate arcade translation, complete with dual play, Capcom won't confirm. In fact. although the Japanese gaming press thought (as EGM did) that Capcom was an official licensee of Sega's in Japan, word from the top floor at Capcom says otherwise. If it were possible for the entire world to be wrong. then it's probably not surprising that Capcom claims to be licensing their games to Sega. If this is indeed the truth, would Capcom allow their prize possession, Street Fighter 2, to appear on the Sega 16-Bitter? Tune in next month!

SWORD MANIAC

SUPER FAMICOM

In the year 2047, gangs have taken over the city streets. The police are corrupt and reluctant to stop the crime! One man, fed up with the evil, has taken to the streets. This man is known only as the Sword Maniac.

Armed with a deadly sword, he Gangsters wield will enter crime-infested areas and battle through ten exciting levels of combat before finally facing the big crime boss!

Based upon the animation series, Fist of the North Star 6 is set in Post-Apocalyptic urban areas populated by survivors who must fight for the barest of necessities.

Kenshiro, a member of the Hokuto Shinken Clan, cares only for Yuria and now he's discovered that she has been kidnapped by Shin!

Fist of the North Star 6 is a fighting game that challenges you to play as Kenshiro on the quest to locate Yuria. Fight against eight of the toughest enemies from the animation series!

Falco, an ex-military commander, is out for vengeance against Kenshiro.

Kenshiro takes on Heart, a mega bad guy with plenty of power behind his punch.

Roah (Ken-O) vs. Kenshiro. These two characters are equal in every way!

Shin uses his master skills of the Nanto Seikan form of combat to take on Ken.

INTERNATIONAL NEWS

THE JOY OF SPECS...

No longer content with the color and resolution specifications of their 16-Bit hardware, Sega is rumored to be feverishly working on two new software upgrades that will let future games pack an even greater punch!

Techs in Tokyo have perfected a way to not only increase the number of available colors that Mega Drive programmers can choose from, they're also very close to enabling the machine to display more colors as well. No word on how significant the leap in color will be, but don't look for games that use enhanced color any time soon.

Sonic 2 is the first game to use Sega's resolution compression!

During the two-player split-screen, Sonic 2 activates this new feature!

Increased resolution, on the other hand, is a feat that the Sega 16-Bit system has already mastered! A new software technique employed in Sonic 2 will allow future Mega Drive/Genesis games to actually alter the resolution of the display screen! The split-screen levels of Sonic are the first to make use of the advancement.

INTERNATIONAL NEWS

AND NOW, FOR SOMETHING COMPLETELY DIFFERENT

Changing gears to the wonderful world of coin-op video games, Mr. Aki scored some big scoops during the 30th annual JAMMA Amusement Machine Show held in the Makuhari Messe convention center of Tokyo on the 27th through 29th of August. Dozens of new machines debuted in the mammoth convention hall, including several revolutionary items that will probably never see the light of day in America.

The top title on the list of U.S. no-shows has got to be Namco's Galaxian 3 video. That's too bad because the six-player game also proved to be the most incredible video game ever produced, at least from a visual standpoint. This game utilizes an advanced version of the RISC processor technology that Namco introduced with their earlier polygon efforts Solavalou and Star Blazzer. In Galaxian 3.

Galaxian 3 wowed crowds with its stunning polygon graphics!

Sim Drive places you in the cockpit of a racer with a wrap-around screen!

SUPER LEAGUE CD

MEGA CD-ROM

CD

CD-ROM

Hey sports fans! If you are one of the many Americans who believe that baseball is the ultimate national pastime, than Super League CD is for you!

Not only can you select from the best teams in the country, but additional CD-quality voice and sound are present for totally unmatched game play!

Hear all the cheers of the fans as they shout out praise for their favorite hometown teams!

Six stadiums offer a wide variety of different announcers and subtle differences during the game.

Call the shots at the plate and in the field. Super League CD looks to be one of the best baseball games to appear in some time!

Congratulations! A complete shutout draws this cool cinema!

Here's the pitch! An announcer is on hand to provide the play-by-play!

Dead Ball? It looks more like a dead player! Knock 'em out with a bean ball.

Six different baseball stadiums offer a wide variety of play options.

INTERNATIONAL NEWS

Mario meets the casino! This video roulette game turned a few heads!

however, the technology is pushed beyond its limits to create the next generation of video gaming. Although Galaxian 3 is more of a ride than a game (it occupies nearly 40 feet of wall space for the six participants to aim at), it knocked me off my feet - as well as everyone else who got near it!

Another game shown for the first time at JAMMA that uses a similar type of presentation was Sim Driving. This huge video driver puts you behind the wheel and in front of an expansive wrap-around screen that totally encompasses your visual senses. No matter where you look, the game is staring back!

Among the other interesting arcade pieces not soon for the states was Mario Roulette. Outside of Vegas, I can't see this gem of a redemption piece turning up across the ocean.

All in all, the shows were a blast and EGM was a big hit! As the pictures show, forget the smooth stuff and leave it to EGM to always score big! Sayonara!

What can we say?
All model-type babes love EGM!

KEMCO OF JAPAN

VIDEO KID

SUPER FAMICOM

This trick will allow you

in which you can select

to the title screen and

keep pressing LEFT.

your stage. To do this, go

RIGHT and the 2 buttons.

Repeat this until you hear

tone, press and hold the

SELECT button and then

appear with funky screen

press the RUN button. The stage select screen will

STAGE SELECT

patterns in the backto access a strange screen ground. You may choose your stage here by pressing UP or DOWN on the control pad. Another screen will then show you a map of the stage you have chosen. Select the a tone. Once you hear this last stage, so you can eas-

ily make your way to the

Mike Norton North Hills, CA

Hold SELECT and press RUN after you hear the tone.

You will see the screen shown above. Choose your stage!

NINTENDO

MARIOPAINT

last boss.

SUPER NES SECRET SOUNDS & FALLING OBJECTS

At the title screen, click on the letter P in the word MARIOPAINT, Once the screen is done filling in. click on the various moving objects. You will see that each of these make a sound. Wait for a falling star to appear. If you are quick enough and can click on it with the mouse. objects will fall from the sky to harp music.

VIRGIN

THE TERMINATOR GENESIS

HOLD THE 1ST 2 DIGITIZED STILLS

If you would like to check out the first two digitized still shots without text getting in the way, just press UP on the pad before the pictures come on. At the title screen, for example. press and hold UP and then the START button. Keep holding UP until you want to continue.

Rogelio Marquez Albuquerque, NM

TAITO

ON THE BALL

LEVEL SELECT

SUPER NES

To choose any level in the game, except for the last one, just enter this code on the password screen:

OWNOP

Once you do this, the title screen will appear again. The title screen, however, will re-appear with the round number in the middle of the screen. Press UP or DOWN to change

the round number from 1 all the way up to 99. After choosing the starting round, press START and the screen will fade right into the level of you choice.

PREBUURO MUDE QUNGP

Enter the password screen and input the code.

A round select will appear in the middle of the screen.

THEULTIMATE

A I R STRPKE

Achieve Total Air Superiority with the EA Air Force. Be the afterst to fly the high-tech Light Experimental in the most advanced

Dogfight with MiGs and Havoc gunships strafe T-80 tanks and SA-8 missill launchers — over 40 types of targets. Bring a co-pilot and utilize the two player cooperative play: pilot and gunner

PILOT REALISTIC VERSIONS OF THE LHX AND AH-64 APACHE.

FLY HUNDREDS OF UNIQUE COMBAT MISSIONS IN LIBYA, EUROPE, AND VIETNAM.

EXPERIENCE THE ACTION FROM 11 DIFFERENT VIEWS.

GENESIS

95c for the first minute, 75c for each additional minute. If you are under 18, be sere to get a parent's permission before calling.
Holline requires a Touch-Tone bisphone. Supp and Genesis or Prodemarks of Saga Cartegrises Let LIYE Attack Chapper and EA Air force are
Indemarks of Electronic Arts. Visit power resider or call 1-300-0245-4252 anythone

TAITO

ON THE BALL

SUPER NES

2ND AND 3RD PLANE

Don't fool yourself into thinking the game is over when you complete the first plane. These passwords will bring you to the second and third planes where many new levels await to challenge your playing skills! At the title screen, access the password option. Next, put in this password for the second plane:

MHWYR

Try this password to select the third plane:

HCCWD

Each plane has different levels ranging from upside down mazes to stages where you can only move slightly in any one direction toward your destination.

PRESUDED NODE

MHUYR Klmnoporstuvlixy:

Enter the passwords for each new plane on this screen.

If done right, the title screen will change colors.

KONAMI

T.M.N.T. IV

.T. IV

SUPER NES ALTER MUSIC IN SOUND TEST

At the title screen, select the options. In the menu, move down to the sound test. Push LEFT or RIGHT on the pad to scroll through the music until you get to "STAFF." Start the tunes with the B button. Press the Y button and the music will be strangely

altered.
(We forgot to put down the SPAM when we typed the "Increase to 10 Lives" trick from EGM # 39: On controller 2, the Konami code is U.P. U.P. DOWN, DOWN, LEFT, RIGHT,

LEFT, RIGHT, B, A). Silly us

CAPCOM

STREET FIGHTER II

SUPER NES

PRO ACTION REPLAY CODE

You MUST have a Pro Action Replay peripheral for the Super NES to make this trick work. To get a very quick dragon punch with Ken and Ryu and incredible hang time from any character, enter this

Replay password screen: 7E0C 3210

code on the Pro Action

FLYING EDGE GENESIS

STEEL EMPIRE

Start by plugging in the second controller: When you get to the ship selection screen, push C, A, C, A, START and then B. You will hear a chime if the trick worked. Once you start the game, you will see that your bombs have increased to 99 in the top right-hand corner of the screen.

Tyrone Morgan Duarte, CA

SAVE A LIFE! SEND A TIP!

Poor Trickman Terry has been toiling day and night to come up with the latest batch of gaming goodies for Tricks of the Trade! In fact, the stress of the job seems to be following him no matter where he goes. Once the bolsterous Mr. Long Island, Terry is frequently seen wandering around in the basement muttering "Up, up, down, down, left, right, left; htt.," Is guy's cracking! We've tried everything from lotions to laxatives, but nothing seems to help him out of his trick-induced daze. So be a pal and send your codes, tips and other excellent video game cheats to: Tricks of the Trade, Sendai's Save a Terry Foundation, 1920 Highland Avenue, Suite 222, Lombard, Illinois 60148. If we print it, we'll send your game! A life lust may depend on it.

games cert to those, one paid and a state internation to the sale state) seen printed or was previously located by the sale the magazine or critical spatial spatial spatial control or mode source, in the case of two identicals positing submission, the first received will be chosen as the winner. This is the year of Super NES. The year some of the best RPG players may go down in flames. Because this year

you will enter the world of Drakkhen.

You've confronted many monsters before. But never fire-breathing beasts of such scorching realism. Over 50 giants and winged beasts in spellbinding 3-D. You've journeyed in other mystical lands. But none with scrolling, 360° landscapes with

panoramic views. Horizons change from day to night before your very eyes. In your quest to restore world peace,

you will learn many powerful spells. Prepare for battle by collecting weapons and magical objects. But nothing will prepare you for the special effects, the eye-popping

ng nce. the Table 17's a number 17's a

graphics, the stereo digital sound experience.
Drakkhen. It's the Super NES game of the
year. The role playing challenge of a lifetime.

NEW SOFT NEWS

With the Christmas shopping season rapidly approaching, the game companies are working at a feverish pace to crank out the latest and greatest hits. Once again this section will highlight many of the new titles that have been added to the list.

There is big news on last minute games for the Genesis. Domark is flying high with an all new version of Mig-29. • Electronic Arts' wacked out pinball game, Twisted Flipper, has been renamed Crüe Ball. • Road Rash 2 is another hot sequel everyone has been waiting for. • JVC has a futuristic racing game called Metal Fangs. • Gods is a new action game

coming from Mindscape. If you thought the Game Gear was lacking in good softs, there is a big surprise in store for you! Predator 2 and Terminator 2: The Arcade are coming from Arena. . Bart vs. The Space Mutants brings America's favorite brat to the portable market. . GameTek will introduce The Gadget Twins, The Humans, and Jeopardy. . Sega has a long list that includes Ariel, Chakan, Chase H.Q., David Robinson's Supreme Court, Evander Holyfield Boxing, Shinobi 2, Talespin, and TazMania. . TekMagik will showcase Populous. . Tengen also has a long list that includes Marble Madness, Prince of Persia. Rampart, and Super Space Invaders. . Virgin is working on Double Dragon.

KONAMI

SUNSET RIDERS

GENESIS

UKN. MEG

CARTRIDGE

The rock slide can make short work of the enemies, as well as your posse!

When Konami announced they were producing Genesis games it wasn't surprising that Sunset Riders was selected as one of their premiere titles!

In a time when cowboys and Indians were the West, men who had the power would take over towns, harass townspeople and force them to obey their every wish. They manipulated towns for their own evil purposes.

They were wrong...

Four men pledged their lives to stop these men before the Great West became a war zone. These men were Steve, Bob, Billy, and Cormano. Together, they are the Sunset Riders.

This new two player simultaneous adventure faithfully captures its arcade counterpart. The levels are identical to the coin-op in every way!

In each mission you must search for a specific bad guy from a Wanted poster. If you and your comrades capture the criminals, great rewards will be yours.

Take a ride on a rickety railroad that leads to exciting new adventures.

Don't let this guy's charm fool you. He starts shooting once he gets inside.

These boys never stop! The rooftop snipers are your greatest threat.

Shoot down this Boss and his gang in the windows to finish the round.

Available for IBM PC, Amiga. Coming soon Super Nintendo, Nintendo GameBoy, Sega Genesis, and Sega Game Gear.

EVOLUTION...To paraphrase Darwin, it's the survival of the hippest. One wrong move and you're dino-meat, one wrong step and you're a fossil, one fashion faux-pas and you're the laughing stock of the gene pool, baby. Discover tools, survive and multiply or these HUMANS are a time-line footnote. In this world of chaos and carnivores...

...Keep the tribe alive.

DATA EAST

DRAGON'S LAIR

SUPER NES UKN, MEG CARTRIDGE

Loosely based on the one-time laser disc hit, Dragon's Lair pits Dirk the Daring against the evil Wizard Mordroc!

Princess Daphne is being held prisoner in Mordroc's trap-ridden castle. To rescue her. Dirk must face Singe, the dragon that is holding her in its lower chambers.

Instead of the linear laser disc game play. Dragon's Lair now plays like an action game. No more simple joystick movements while the story takes care of itself! You are in full control of Dirk.

The levels hold secrets that only the bravest adventurers will find. To succeed. Dirk must find the hearts and crystals needed to keep his body in top condition.

This shadow beast can completely disappear, making it a tough target!

The great graphics and animation are apparent when you fight this snake.

Collect the colorful health crystals to maintain top physical condition.

ARENA

TERMINATOR 2™: THE ARCADE GAME

GENESIS

UKN MEG

CARTRIDGE

Straight from the arcade coinop and into your living room. Terminator 2: The Arcade Game puts the thrill and suspense of the hit movie into one exciting cart!

You have the option of using the standard Genesis joypad or the Menacer peripheral to relive the exact feel of the arcade ver-

The game play is very unique! Backgrounds slowly scroll while you shoot at the advancing Terminators and HK's. Power-ups are located in crates at the bottom of the screen and can be easily activated just like in the arcade!

The T-1000 awaits your arrival in the final stages of this near perfect translation.

When the Terminators get this close. expect to take some heavy damage!

When attacking the base, you must also shoot approaching missiles.

Rot Recommended For Cowards. rom deep within Mordroc's Castle, a foul stench rises up to mix with the cold, damp midnight air. In the deadly caves far below the surface, the evil wizard's pet fire-breathing dragon, Singe, guards the captive Princess Daphne. You, Dirk the Daring, walk steadily toward the castle gate. You feel no fear-but then, fear is for cowards. No other would dare to enter this perilous castle where Mordroc has imprisoned the helpless princess. But for you, there is no other possible course to take. Now is the time for heroes. Now is the time to enter the DATA EAST USA, INC. 1850 Little Orchard St. San Jose, CA 95125 CIRCLE #116 ON READER SERVICE CARD.

ELECTRO BRAIN

BEST OF THE BEST CHAMPIONSHIP KARATE

SNES, NES, GB 8.2.1 MEG CARTRIDGE

Kick boxing is a sport that involves grueling training and a focused mind. Many dream of being kick boxers, but Electro Brain's Best of the Best Championship Karate for the SNES, NES and GameBoy let you do it!

Begin by selecting a boxer in the edit mode. You can change the style, preview the hits or choose to battle the computer or another player.

Once play begins, you and your opponent square off in the ring. The referee is constantly watching to make sure no one is cheat-

With three versions to choose from, Best of the Best Championship Karate will find its way to all kick boxing fans!

The Super NES version boasts high quality graphics and sound effects.

The NES version offers exciting action and effects with great play control.

The portable version may lack color, but the intensity of the fight is intact.

KONAMI

TINY TOON ADVENTURES"

GENESIS

UKN. MEG

Konami has yet another hit on their hands with Tiny Toon Adventures for the Sega Genesis! Buster Bunny is the star in this action-packed adventure game!

On a mission to locate his lost buddies. Buster faces enemies. from the cartoon series. The Wolverine, for instance, will steal items away from Buster!

Collect tasty carrots to increase lives and gain points. The levels are filled with obstacles and booby traps set by the rich little brat Montana Max!

The infamous Dr. Gene Splicer even makes an appearance as a boss! He's out to capture Buster and involve him in another one of his wacky DNA experiments.

Hang on tight! To earn the top bonus. collect all of the carrots.

Use the pendulums in these trees to help cross the caverns below.

The conveyor belt platform serves as a helpful tool for Buster's jumps.

Oh no! It's Dr. Gene Splicer! He has lured Dizzy Devil into working for him.

KEMCO

TOP GEAR 2

GENESIS

UKN. MEG

CARTRIDGE

The race of a lifetime continues with Top Gear 2! Get behind the wheel of two hot sports cars, the Lotus Esprit and Elan, and make tracks on city streets around the world!

You and a buddy can compete for the lowest lap time or hop on the streets to see who can reach the checkpoints first.

Split screen action with sweatinducing speed is what makes Top Gear 2 a good entry in the video driving category.

face when racing on the road circuit!

Those nasty Neanderthal nerds have kidnapped the cave babes and it's up to Joe & Mac to get 'em back! Risk raging rapids, runaway boulders, tyrannosaurs and ptero-

DATA EAST

CAPTAIN AMERICA AND THE AVENGERSTM

UKN. MEG CARTRIDGE GENESIS

Comic book cartridges are becoming a popular video game trend. Data East is fueling the theme with Captain America and The Avengers

Battle the forces of Red Skull through tough stages of superhero combat. One or two players can choose from their favorite characters like Captain America. Iron Man, Hawkeve and Vision, Together, they will face relentless hordes of the evil Red Skull's trained assassins!

The action scenes take place in the vacuum of space, serine parks and busy cities. It's up to you to defend the planet from becoming Red Skull's next playland.

Face huge opponents throughout the city's most populated zone!

The fight continues in space! Attack the space fighters!

This quiet parkland makes the perfect place for an all-out superhero brawl!

TENGEN

PAPERBOY 2

GENESIS

UKN. MEG

CARTRIDGE

Most paperboys deliver the daily news to eagerly awaiting customers in the bright and sunny morning, Today, however, a new paperboy has hit town and the streets won't be safe for long.

Three difficulties levels and the choice of being a paperboy or girl are added to this version. Throughout your trip, the neighborhood will threaten your delivery. You can strike back by knocking people into swimming pools or even become a hero by stopping a bank robber!

Once you make it past the furor of the city streets, an obstacle course awaits. By maneuvering through the chasms and hitting the targets, you can become the ultimate paperperson!

Give this sunbather a rude awakening by tossing a paper in her face!

It must be nice to relax in the pool. Try not to get the newspaper wet!

ELECTRONIC ARTS

THE AQUATIC GAMES

GENESIS

UKN. MEG

CARTRIDGE

James Pond is your host in this wacky spoof of popular Olympic events that comes complete with original games as well.

From the play menu, you can choose to compete in events unlike anything ever seen before!

Practice makes perfect so luckily there is a mode to help you on those really tough events. Otherwise, you can head straight into the series.

Several different events, ranging from speedy races to reflex testers can be found in The Aguatic Games, Lush graphics and fluid animation compliment each of the water sports, further adding to the appeal of this track game with a twist!

In this odd event, you must stop the

Fish really can walk on water! The object is to get to the finish line first.

Try hitting this guy below the belt.

Introducing Power Punch II.

The Champ is back! With new super-charged graphics and a ring full of other-worldly opponents itching to re-arrange his face. The competition will be fierce as you shake claws and come out fighting the most vicious mutants, cyborgs and creatures to ever hit the galaxy. Or anything else. Each possess ferocious strength, inhuman stamina and warp drive speed. To walk away a winner, you'll have to use every trick in the book, Power Moves and Punching Tools like super nova jabs, steller upper cuts, and hyperawesome rights and lefts. Hit the right combination and...POW!...alien heads will roll! It won't be a pretty sight. But as any Heavyweight Champion of the Universe knows-when the going

gets tough, the tough get Power Punch II.

SONY IMAGESOFT CHUCK ROCK

SUPER NES 8 MEG CARTRIDGE

Unga Bunga! Our belly-butting hero, Chuck Rock, is lost and needs help finding his way home. The trip would be easier if the dinosaurs weren't so hungry!

Now Chuck faces the biggest Bosses of them all! Only by using his Cro-Magnon brain and pumped-up arms can he defeat the bosses!

The levels are colorful and contain little dinosaurs that have their own secrets. Some have huge mouths and others whip out mallets to bash Chuck in his primitive cranium!

Not everyone is out to destroy Chuck. Some helpful dinosaurs will carry him across gorges and help him leap on top of ledges.

This helpful brontosaurus will escort our hero to the river bank.

It's Air Chuck! Pterodactyls make a fine air service in the Stone Age!

Use this little dino to launch up and then pass the aspirin afterward!

SEGA

SHINOBI 3

GENESIS

UKN. MEG

CARTRIDGE

Out of the darkness comes a powerful warrior cloaked in white. His glistening sword is poised to strike down all who oppose him. Who is this mysterious masked warrior? He is the Shinobi!

Take part in the latest sequel, starring none other than Sega's own super ninjal. The action is intense, with more stunning graphics and orchestrated sound than you can shake a shuriken at!

You'll face martial arts masters throughout various stages of play. Your trusty katana is always ready and your fearsome magical power will send even your worst enemies fleeing in terror!

The true challenge of mind and body awaits all those who play Shinobi 3!

Your fearsome magic can scare the daylights out of advancing foes!

If the situation is getting a bit hot under the collar, a 1-Up might help!

TENGEN

ROAD RIOT 4WD

GENESIS

UKN. MEG

CARTRIDGE

Road Riot 4WD is Tengen's latest and greatest venture into the world of arcade translations!

If off-road adventure is your forte, Road Riot 4WD offers plenty of fun in the dirt! You'll compete in 11 grueling courses that challenge the durability of your vehicle and your backbone!

Each course has a specific host depending on where you race. The kooky MC's range from Elvis Presley to an Arabian Sheik to an outback Australian.

The courses all present their own challenges as well! Animals may cross your path (watch out for the rhinos) and sometimes spectators wander too far out on the track.

The graphics are rendered in a digitized style that adds to the game's appeal!

Serious hang time is possible when flying over this rugged terrain.

Look out! The Arabian spectators have come too close to the track!

AND NOW A MESSAGE FROM EVANDER HOLYFIELD.

Sweat's gonna fly. And blood's gonna flow. 'Cause this is no two-bit sports simulation. This is Evander Holyfield's "Real Deal" Boxing"—16-bit Sega" Genesis" realism right in your face.

Speed. Stamina. Power.
Defense. You design your own
hoxer.

Right down to his haircut. But you gotta be strategic. There are 28 hungry contenders itching to make you kiss canvas. Long before you get a shot at the champ.

Cross. Block. Uppercut and punch. The more you win, the more formidable you become. Evander Holyfield's "Real

Deal" Boxing. It's tough.
It's bloody. It's The Real Deal.
Get the message?

THE CHOICE IS SIMPLE THE CHOICE IS SEGA. Genesis gives you more than 150 hit games, hot titles like Sonic The Hedgehog." Kid Chameleon."
Sports Talk Baseball," and Joe Montana II, Sports Talk Football," and the lowest price in 16-bit systems. SEGA and Genesis are trademarks of SEGA.
Gone titles are trademarks of SEGA or the Incremes. See Individual byte of Idallals. (2) 1992 SEGA MIT (17bbt tresserve).

"TUCK"

EVANDER HOLYFIELD'S "REAL DEAL" BOXING

It has been a remarkable year at Sega. Widespread market acceptance of 16 bit video gaming last Christmas made Sega Genesis the number one system in the \$4 billion dollar video game industry. Of course, Sonic likes Dear Sega Gamers and Friends, to take all the credit for moving Sega into a 63% market share position but the rest of us at Sega know that it has been the strength of the entire Genesis software library and the throngs of Sega game players who have jet-

But like Sega, we haven't been resting on Genesis' 16 bit leadership or Game Gear's portable category success. We've been busy creating even more technologically advanced and exciting Genesis games which showcase tisoned us into the premier position. the awesome capabilities of our 16 bit system. We've been collecting the finest

licensing properties such as Batman Returns, Evander Holyfield and Home Alone for both Genesis and Game Gear, NFL Sportstalk Football '93 with Joe Montana for Genesis and Wimbledon Tennis for Game Gear. We've also been building exceptional peripherals which will greatly enhance gameplay including Menacer with its Acu-Sight technology for dead-on shooting performance. And certainly we've been hustling to bring the most exciting advancement to video gaming. the Sega CD which transforms Genesis into a powerful, interactive CD ROM machine. You will not believe the exciting new types of game play Sega CD provides.

In other words, Sega's been super busy doing what we do best -- bringing you advanced technology for the best in gameplay.

In 1992, Sega wants to welcome you to the next level. Are you up to it?

Biggest news is the much-awaited sequel Sonic The Hedgehog 2 coming to retail shelves around the world on "Sonic 2sday" November 24. Sonic is predicting that 5 million video gaming enthusiasts worldwide will buy his latest adventures. Of course, Dr. Robotnik and his Death Egg creation are out to foil Sonic and his new friend, Tails.

Sega CD will share the limelight this Fall because of its extraordinary gameplay. Real voices, real video, real drama making Sega CD an experience you've never had at home. I encourage you to check out Night Trap. Make Your Own Music Video or Thunderstorm to see how Sega's multimedia interactivity is the next level of enjoyment.

And then there's the games. More than 350 for Genesis and 75 for Game Gear, Streets of Rage 2, Mickey Mouse and Donald Duck in World of Illusion, Dolphin, Home Alone, Chakan: The Forever Man, X-Men, Aryton NOUNCE AND DUMAND DUCK IN TRUMO OF INDISON, DOIPHIN, FIGURE AND IC, OHAKAIT, THE FORCE WIRTH, ASSIGN SENDER MONACO GP II, Shinobi II, Greendog and many, many more incredible action, shooters, rpgs and

It's an exciting time at Sega. I encourage you to catch some of it this Fall. You'll love the next level from Sega. sports games.

FOOTBALL ACTION SO REAL, IT'S...

SETTLE THE SCORE WITH AN ALL-OUT BRAWL!

SEGA Into the 21st Century

Sega Force is back!

Welcome to Sega Force. It is time once again to look back at the exciting products released for the Genesis and Game Gear in the last year. This is also your chance to look forward at the exciting games of 1993. The Genesis is now bringing forward

their fourth generation of game, and if you thought games like Sonic the Hedgehog were hot, you'd better hang on. With the introduction of the Sega CD, 1993 promises tobe the best year yet!

So if you think you can handle all of the ultra-hot information we have waiting for you, read on. Sega Force has landed!

Genesis — Three years and still going strong.

Another year has passed us by, and Genesis is still the number one system, for super-charged 16-Bit gaming! Over three million more systems have been sold in the last year, meaning the public has spoken and the Genesis is here to stay!

Companies who, in the past, exclusively made games for the other guy, have wised up. Soon, Genesis owners will be able to play games like Teenage Mutant Ninja Turtles: The Hyperstone Heist from Konami, and Tecmo's awesome Tecmo Super Bowl. And our favorite licensees from the past are still

keeping up the good work with new sports like Team U.S.A. Basketball from EA, and new licenses, like Superman from Sunsoft. In all there are now over forty five official Sega licensees, and that means more great games for you!

And if all those licensed games aren't enough, Sega themselves has a flood of great titles coming at you.

Great movie translations like Home Alone, Cool World, and Batman Returns; more Disney action with Talespin, The Little Mermaid, and World of Illusion staring Mickey

Mouse and Donald Duck; and long

awaited original games like Greendog, Sonic 2, and the 16 Meg Streets of Rage 2!

Sega brings you closer to sports with their Sports Talk series, and this winter Sports Talk meets the NFL, in NFL

Sports Talk Football, Staring Joe

Montana!

With more than 300 games to choose from, it is easy to see why the Genesis has been number one for the last three years, and why it will stay number one in the future!

If I can't take it with me, I'm not going!

Sega hasn't forgotten about those

who want to take their game action on the road. Support for the Game Gear has continued to grow over the last twelve months, and new advances now allow developers to make portable games larger than

before. Sonic 2 on the Game Gear will be a full 4 Meg, the same size as the first Sonic on Genesis! Other 4 Meg titles coming soon are Mickey Mouse 2 and the original Defenders of Oasis.

Now there is no need to leave your favorite games at home. Most of the great Sega titles available on Genesis, will be making their way to the little screen, including: Batman Returns, Ariel: The Little Mermaid,

SHE'S BACK!

The Xenomorph are fast, spit acid and are right behind YOU! The motion tracker is your only warning. No time to think, no time to catch your breath...RUN!

Can't see very far ahead in these air ducts. Hard to breathe. Face-huggers can be anywhere.

Must find a Queen Alien. The closer you get, the more Aliens you find. better not have them. find you first!

Just keep telling yourself, "THIS ISN'T REALLY HAPPENING...ITS ONLY A GAME."

CIRCLE #150 ON READER SERVICE CARD.

Tazmania, Tailspin, and Joe Montana Football! Plus great third party offerings like Humans from Game Tek and George Forman Boxing from Flying Edge!

The action doesn't end there! With the TV tuner option, your favorite compact game system, doubles as a

portable, color TV!
This amazing
peripheral allows
you to watch your
favorite shows
should your gaming hands
become tired
from the action
you have experienced! And if you
have a library of

Master System cartridges sitting in the corner gathering dust, now you can take them along too! The Master-Gear converter lets you add over

100 additional games to your portable game collection!

Thanks to the Game Gear, portable gaming is now reaching new heights with your favorite classics and new and upcoming releases! So the next time they tell you to leave it at home, tell them you don't have to, because you got it in Gear!

And now for something completely different...

Everyone says how great games are going to be in the future, but now you have no reason to wait! Just add the CD to your Genesis system and

explode into the next level of video game power!

The power of the Sega CD is achieved with the addition of a second 16-Bit processor, working in parallel with the one inside your Genesis. Two processors

to pump out great graphics, sound, and even full-motion video! Two processors to offer more power, more speed, and more gaming action!

And they haven't forgotten the bells and whistles either. The CD unit offers advanced functions like hardware scaling and rotation!

What would a CD system be without the sound that first made compact discs popular. The Sega CD is fully compatible with all audio CDs as well as CD+Gs!

No matter how great the system is, without good software you might as well use it as a decorative floral centerpiece on the Thanksgiving table. Sega has been working on a whole

BASEBALL SO REAL.

All-new graphics and animation so awesome you'll feel like you're at the ballpark!

Every stadium is unique, with different fence distances, colors and indoor or outdoor fields.

Like a real manager, you select your lineup made up of real stars — and superstars.

Go for the fence against a pitching machine with your favorite hitter in "HOME RUN DERBY."

Put yourself into a game-winning, heartpounding "GAME BREAKERS" situation.

...IT'S UNREAL!

his two-tailed sidekick, Tails. Together they will travel through twelve exciting levels of speed induced action!

challenge after each level. Piloting his contraptions of destruction, he offers Sonic and Tails the kind of challenge they have never expected before! Here are a few more pix to get you salivating!!

slew of radical translations and original offerings. All new versions of Sonic the Hedgehog and Batman Returns: computer translations like Ultima: Underworld, arcade hits like Cobra Command, and original programming such as Dark Wizard!

Sega isn't alone in their efforts. Third party developers are already lining up!

Sierra is coming with their first console video games ever! Willie Beamish, Kings Quest V, Steller 7, Leisure Suit Larry, and Mixed-Up Mother Goose are just some of the title already in development.

JVC/LucasFilm are preparing Monkey Island, Wolf Child, and Wonder Dog: Sony Imagesoft has Hook and Chuck Rock; and Virgin offers a radical version of Out of This World complete with cinemas!

In all, there are more than fifty games in development for the Sega CD, and more companies are sign-

ing up every day to develop for this super hot video game system.

Future Power!

Other companies promise great things for the future, but who wants to wait three years for a 128-Bit system, running games on biodegradable banana peel based optical discs? Sega has the power ready now. Power enough for now and for vears to come!

STRATEGIC WARGAMING

A Different Kind of Wargame

WARSONG™, the ultimate strategy role-playing simulation, places the player in complete control of up to 8 valiant commanders and

Launch your field commanders against Dalysis storm-troopersi You're in total command of the battle theatrell

their loyal troops. Twenty daring, wartime scenarios pit your forces against the legions of the blackhearted Emperor Pythion. The treacherous Dalsis Empire awaits your arrival. Encounter bands of rogue thieves, Pythion's Soldiers of Doom, and blood-hungry beasts as you make your way to regain the all powerful sword — WARSONG!

The Story Unfolds

Unlike most tedious Strategy RPG's, WARSONG™ is constructed around an intricate plot which will challenge

The tale of the Warsong sword dramatically pieces together

even the most intellectual minds. Yet, the player can still experience the full impact of battle! Watch as blades clash, cities crumble, allies perish, and

chaos abounds in a land ravaged by evil! Launch armies of swordsmen, archers, horses, and monks against the dark forces who fiendishly plundered Warsong from its protectors. Each new scenario brings with it startling revelations, deadly surprises and clues that will help to unveil the dark, sinister sides of Baltia!

Machines of War

Up to 8 allied commanders with a myriad of arcane powers, such as

Select the Commanders, soldlers, and Items you think are going to do the lob!

Calais the magical guardian of Baltia, and Sabra the legendary Dragon Knight, oversee 64 troop squads who await your command. Soldiers range from simple Guardsmen and Archers to fabulous fighting Gryphons and Mermen – all having a wide range of intriguing abilities that you'll have to manage wisely.

Easy to Command, Hard to Master!

With simple, pull-down menus and icon driven commands, you can spend more time concentrating on the hazardous battlefields, and less on learning tedious step by step instructions. Foot and Sword Icons allows you to easily control troops and commanders. The easy-to-use, pull-down menus enable you to execute a vast array of usually complicated commands. Playing the game, though, is a different story altogether. In the course of your siege, you'll incur such pitfalls as commanders dying, shortages of funds needed to purchase troops, and other monsterous "surprises". All of which contribute to the difficulty of future scenarios. WARSONG™ is more than just a game, it's the adventure of a lifetime.

The clash of forces will leave you breathless!

THE #1 ALL-SEGA VIDEO GAME MAGAZINE

Finally, a magazine made exclusively for owners of the Sega Master System, Game Gear, Mega CD and Genesis! Introducing Mega Play, the first full-color publication with all the tips, tricks, reviews and previews a Sega fan could ever want! Each bimonthly issue is packed with behind the scenes info and photo-spreads of the latest 8-Bit and 16-Bit sensations. And since it is from the editors of EGM, you know Mega Play is a magazine you can trust! To get the most out of your Sega system, you NEED Mega Play!

- * LEARN TRICKS, AND SECRET STRATEGIES ON THE NEWEST GAMES!
- * BE THE FIRST TO LEARN ABOUT THE NEW GAME SYSTEMS, PERIPHERALS AND ACCESSORIES.
- * READ HONEST, HARD HITTING GAME REVIEWS FROM FOUR PLAYERS.
- GET THE FIRST INFO AND PHOTOS ON ALL THE NEW GENESIS, MASTER SYSTEM AND GAME GEAR CARTS.
- * FIND OUT WHICH INTERNATIONAL GAMES ARE HOT!
- * PLUS PAGES OF GAME MAPS, DETAILED STRATEGIES AND MORE!

I WANT MEGA PLAY!

UY HAVE TO DO MAN EAL AROUND HERE?

Welcome to Taz-Mania, home of the hit cartoon series. Now, it's the hottest new game on Sega Genesis.

And lots of your favorite characters

are there. Like Taz. Bull Gator. The Bush Rats. Francis X. Bushlad. And Axl.

Our hero, Taz, is always hungry.

But in this game, his dinner's been hidden way across the island. And you have to take him for a spin to find it.

Just be warned. Play Taz-Mania once, and you'll always be hungry for more.

Munch a hot pepper and Taz can really burn up his enemies.

Taz explodes through 17 levels of high-energy adventure.

Taz growls and fusses—and whirls into a Taz tornado.

Signs like this mean Taz is in big trouble.

GREGIS GREGIS

LOOK OUT!!!
THE CAT'S OUT OF THE BAGK

Ya, Baby, this guy's jive, and I'm just trying to stay alive. I'm on the run for some real fun. Being in Four Corners Zoo, there's not much to do. So, if I don't blow, Mean Eugene, the Zoo Keepin' Fiend will steal the show. But when we scram, we'll be on the lam. Problem is, I need my bike and it is not where I like. The parts are hidden somewhere in the zoo. I need you to find them too. Then, me and the boys can hit the road, cause life in a zoo just got old. Take it from me, "You Gotta Be Free!" It's not cool to be treated like a fool. So help me out. Grab a bag of Cheetos now and get a \$5.00 rebate on my run for fun. Chester Cheetah is my name and "Too Cool To Fool" is the rule for today's hippest adventure game. Brought to you by Kaneko USA, where the fun is never done!

Hey Dude, get a load of this! When Chester looses his cool he geeks out. What a Cat!

Get A Life! This "Mean Eugene, the Zoo Keepin' Fiend" just won't give up.

Multi-levels of play, special graphics and effects don't get much cooler than this!

Ya Baby, this is an adventure you just don't want to miss.

SUP CART SIZE NUMBS 8 MEG

You start your quest as Luke, but you select from other heroes later.

"USE THE FORCE LUKE!"

It seems like only yesterday we all heard these infamous words from Ben Kenobi. That was fifteen years ago, however, and now Lucas is dazzling us once again with Super Star Wars for the Super NES. This game captures all of the excitement of the movie bearing the same

name. Super Star Wars is one of the best translations of the original movie for any system to date. Almost every scene, from the sands of Tatooine to the final fight down the trench of the Death Star is captured in pixel-perfect detail! The music is digitized straight from the movie and incorporated into the action very well. The game also makes use of the Super NES's

advanced capabilities, especially Mode 7 features highlighted in the Landspeeder and X-Wing scenes. So grab your lightsaber and join the rebellion!

The Bosses at the end of each level are incredibly huge and graphically outstanding! Almost every Boss is instantly recognizable because frey are straight out of the original movie. Each Boss is increasingly more challenging and has its own pattern which must be mastered for success. Coupled with these incredible graphics are great sound effects. You will be amazed at the overall realized for the output.

Your journey to the Death Star will not be easy. You start out as Luke on his home planet, Tatooine, where you find C-3PO in his crashed escape pod. After defeating the Sarlac, you must race to the Jawa's Sandcrawler in your Landspeeder to rescue R2-D2. After completing this, you return home through the Dune Sea, home of the Sandpeople and Ben Kenobi. Ben tells you of your Jedi past and gives you your father's lightsaber. He asks you to assist him in finding passage to the Alderaan system, but in order to do this, you must find a ship and pilot at the Mos Eisly space port. Once inside Mos Eisly, you and Ben look for candidates in the Cantina, where Han and Chewie are found! After leaving the space port, you take to the stars, but a tractor beam pulls your ship into the dreaded Death Star! This is where your final challenge awaits. The fate of the Rebellion lies in your hands!

Once inside the Sandcrawler you must rescue R2-D2 from the vile Jawas.

After deactivating the tractor beam, battle your way to the exhaust trench.

Inside the Cantina you will find someone to take you to Alderaan.

Evade tie fighters and use your proton torpedoes to destroy the Death Star.

YOU MAY HAVE WON THIS TIME, SKYWALKER, BUT THE EMPIRE CAN ALWAYS STRIKE BACK!

ore than 15 years after its release, the mere mention of Star Wars still stirs the imagination and appeals to all of us.

Even now, stories and rumors surround the legendary motion picture and an industry spawned by Star Wars merchandise continues to thrive.

The Star Wars phenomenon boasts statistics as . . imposing as the Death Star. The saga has been seen by more than 700 million people, sold over \$2.6 billion in consumer products, and grossed over \$100 million in video cassette sales.

A new best-selling book series by Hugo Award Winner Timothy Zahn has resurrect-ed interest in the original film trilogy and fueled speculation that more Star Wars films may be on the way.

According to officials at LucasFilm, creator George

eno*menon*

bilia includes video games

Dark Horse have both previously published comic books based on Star Wars. LucasArts officials attribute

this renewed interest in Star this reflewed interest in Oda Wars mainly to Zahn's book series. For several weeks both "Heir to the Empire" and "Dark Force Rising" were at. the top of the New York Times bestseller list. The books pick up the story where the film trilogy ends

Arcade Attacks!

Just when you thought it was safe to visit your local video game center, a new villain appears! Arcade is up to his

devious tricks again in Spiderman-X-Men Arcade's Revenge, While rescuing the X-Men from Arcade Spidey and the quartet were sent into separate time warps! You now assume the identity of Spiderman and all X-Men in order to return from this prison.

To return each member from their time warp, you must complete two levels per character. You must overcome eleven challenging rounds in your quest to end Arcade's reign of terror. The fate of Spiderman and the X-Men now lies in your hands! Good Luck!

You begin as Spiderman and must first rescue the X-Men from Arcade's time warps. Once this is done, you will be able to play as Spiderman or any of the X-Men. Now, it's time to put an end to Arcade and his sinister plot to destroy earth's heroes!

After the X-Men are captured. Spiderman lends a nelping hand in getting them back. Arcade has placed explosives all over the city, and Spidey must diffuse them while freeing the X-Men. After removing the bombs. Spiderman finds out the task was a trap! All of the heroes are thrown into separate fartasts warps.

Spiderman's duty is not over. He must also pass through this sinister level.

You must help Wolverine find his way out of Arcade's terrible toyhouse.

Cyclops is confined to an underground mineshaft deep below the surface.

Level One: Spiderman must successfully diffuse all the bombs that have been scattered throughout the city. Do this and the X-Men will be rescued.

Storm now finds herself in the murky depths of a dangerous, unknown sea.

Don't let this huge spike ball ruin poor Gambit's day in the casino world.

FURER NES

DON'T FLIRT WITH O*BERT!

Remember when Q*bert was the hottest game in the arcades? He's the strange little character who lives in a geometric world avoiding nasties like Coliy, Slick, Ugg and Wrong Way, among others. Now, Q*bert is hopping to your Super NES in

Q*bert 3! This time, Q*bert bops across three-dimensional graphics to stereo sound effects. In addition to the usual line up of enemies. there are some new faces to watch out for, such as frogs and pipes that spit out dangerous bouncing balls! Add a pause mode and other features and you get a wild new adventure unlike anything you've seen before!

100%

THE ONE & ONLY: The bouncin' man himself, Q*bert! This video superstar needs no introduction or explanation!

BONUS: One of the items that will give you big points. Collect cherries and other fruits on your quest to be the best!

DISC: This is the item that can remove Q*bert from danger and takes him to the top of the board!

PIPE: This utility shoots out balls that bounce down the board. Like most everything else, they are fatal to Q*bert.

ISLANDS: On some levels, Q*bert must use the discs to travel betwen boards!

To hit the target color on advanced levels. Q*Bert must jump on squares twice.

THE RIGHT TYPE: Here, Q*bert must hit the keys Q-B-T three times to progress!

Careful when at the bottom of the board because that is where everything falls off.

Adversaries

UGG

Enter the Jennifer Capriati Tennis Champions '93 Contest and See

Olympic gold medal winner Jennifer Capriati brings together some of the best players in the world to challenge you with power serves, baseline thunder, net volleys and exciting point rallies. All the realism of tennis is here, from the skid of a backhand shot past your opponent to the overhead smash for the match. Even create your own players for the circuit tournaments or just a quick exhibition match to build up your skills. And don't forget doubles because teamwork is always important in professional sports. Looking for a great match of tennis? It's right here in Jennifer Capriati Tennis, from Renovation Products for the Seea Genesis system.

<u>RENCHTION.</u>

Renovation and Jennifer Capriati Tennis are trademarks of Renovation Products, Inc. Sega and Genesis are trademarks of Sega Enterprises, Ltd. Endorsement used with permission. © 1992. All rights reserved. NEXT CHALLENGE

What Gamers May Win:

GRAND PRIZE — One (1) all expense paid trip for two (2) to see Jennifer Capriati play in a tournament to be determined by Jennifer Capriati. Also included in the prize is a special meeting and autograph session with Jennifer, plus two (2) Renovation Products Tshirts.

FIRST PRIZE — One (1) free game cartridge from Renovation Products to fifty (50) lucky entrants in the Jennifer Capriati Tennis Champions '93 Contest.

SECOND PRIZE — One (1) free Renovation Products 100% cotton T-shirt to five-hundred (500) lucky entrants.

How To Enter:

To qualify for the Champions '93 Contest, participants must win all four tournaments in Jennifer Capriati Tennis. When a player has won the complete circuit, a champions screen will be displayed with the statement "Congratulations on your great victory!" followed by the closing credits listing the creative designers behind Jennifer Capriati Tennis, plus a special option password. A photo of any of these screens will be accepted as proof of winning the circuits.

To enter, fill in the form or print your name, address, phone number, age and the words 'Jennifer Capriati Tennis Champions '93 Contest' on a 3' x 5' can'. Then mail your entry form along with a photo of your winning TV screen to: Renovation Products, PO. Box 641557, San Jose, CA 95164-1557. All prizes will be awarded to qualifying entries in the order they are chosen.

Contest Rules:

This contest is sponsored by Renovation Products and National Mailing Service. Only one entry per person. No purchase necessary to enter. Winners will be notified by mail. Chances of winning are determined by the total number of entries received. Ornets ends Jauny 31, 1993 All entries must be postumiest of by this date. Only valid in USA. Void where prohibited Employees of National Mailing Service, Renovation and their families are incligible to enter. National Mailing Service and Renovation reserve the right to cancel this promotion at any time with appropriate notice. Winners names and prize information may be used by National Mailing Service and Renovation for promotional or advertising purposes without further congenisation.

You can buy your RENOVATION games at Toys 'R' US, Babbage's, Electronics Boutique, Software Etc. and other fine retailers. RENOVATION games are also distributed by Ingram/Commtron. Order games direct by calling 1-800-677-4336.

TAKE ME OUT TO THE BALL GAME!

The nation's favorite pastime is reproduced once again with new style in Namco's contribution to the video baseball battles.

Super Batter-Up combines the lively graphics and animation afforded by the Nintendo 16-Bitter with a fine attention to baseball detail. The game attempts to spice up the feel of conventional baseball carts by adding a variety of options and including actual players!

The options that have been programmed into Super Batter-Up range from control over background details such as line-ups and pitching changes to the selection of stadiums. This is a particularly important feature since each complex has a different construction and challenge.

Although standard video baseball interaction is present (highlighted by proven hitting and fielding perspectives), extra touches such as the singing of the national anthem increase the game's overall realism.

Connect in a big way and you'll send the ball soaring! It's a home run for our side!

You can access a variety of perspectives in the game, including an overhead view!

Choose between a number of different baseball stadiums before the game!

Super Batter-Up brings a highly detailed batting confrontation to the Super NES!

SUPER

WHY BE A NOBODY? BE A PRO!

Some games alaim to be realistic: we are. Check out the rosters. Ever hear of their players? Larry? Joe?

Super Batter Up is packed with actual Major League Baseball Players and their statistics. We've analyzed RBI, ERA, home runs, stolen bases, errors, speed, and throwing ability data to insure that our game plays like the real thing. From the national anthem to the 7th inning stretch Super Batter Up delivers the baseball action you deserve. Don't be an average Joe: You can be a baseball hero.

- 8 megs of realistic graphics.
 - 26 teams.

On a routine test flight, 30km NW of Bermuda...

malfunction occurs!

"Delta-9, respond! We've lost her!'

An underground race is stealing weaponry!

Stop them before they destroy the world!

RED ALERT!

A fighter jets across the skies off the coast of Bermuda. Suddenly, its instrument panel goes haywire and the plane disappears over the horizon. Behind this devious act, an underground race of warriors begins its quest for world domination, stealing the world's offensive military

capability! It's up to you to stop these ruthless dictators.

Choose from an attack chopper or assault jeep in this one or two player shooter. You'll find plenty of weapons complimenting the detailed graphics and sound! Superb game play and excellent scrolling effects round out this blast-a-thon.

Select the two-player mode to take on the enemy offensive with a friend.

Gather power-up icons to increase firepower and destroy the enemies.

		8 MEG	12+	ACTION	75%

Speed up!

It's finally here! The Hedgehog with an attitude has released! As

run, RUN to your hearts content

while searching for hidden stuff! With

new resolution technology, you can even play with a friend and have twice the fun going head to

head in a race

THE HEDGEHOG

EGM promised, here is a look at this incredible game! As opposed to the previous version, this cart is twice the

size! The levels are also laid out so that you can run,

to the evil Dr. Robotnik! The music is pumped and the paralax will blast you into the outer limits! And if you think what we've here is good, wait until, you see next issue! More levels, more pix and more fun!

NEO GREEN HILL ZONE

The Labyrinth Zone makes a comeback!
Now it is no longer a big maze!

HILL TOP ZONE

Similar to the Green Hill Zone, this one has Lava and enormous earthquakes!

OIL OCEAN ZONE

Slip and slide all over this zone! Watch for the canons that send you flying!

HIDDEN PALACE ZONE

It 's hidden, you know. So we aren't going to spoil all the fun for you! Maybe next isue. .

CASINO KNIGHT ZONE

Gambling time! Bounce around and win big points in this giant pinball machine!

DUST HILL ZONE

Enter a dark and menacing mine system and find you need to get out alive!

METROPOLIS ZONE

Technical terror and huge rotating gears with wire cylinders will hamper your way.

SKY CHASE ZONE

Hop on a Biplane piloted by Tails and make your way to the enormous Sky Base!

TAILS
TO THE RESCUE

THE HEAT IS BLAZING ON. . .

Following the introduction of the 16-Meg monster Street Fighter 2, Sega decided to construct their own version. And are we in for a treat!

Now, with four characters, you can choose from several original and unique moves. So many in fact we didn't have enough space on this page to show them all! Stay tuned to EGM for more up-to-date coverage!

As you can see, Eddie is dealing with the enemy on a straight one-on-one basis!

THE CITY SLUMS CRIME BOSS ONE-JACK

Where would a fighting game be without a little scraping in the alleys? Venture through the streets and punch past some tough obstacles until you get to the bar. Now you must face a boss whose hobby in cutlery and collecting match!

The boss wields an arsenal of knives! He'll attack when close and far away!

Use all your abilities! The streets are filled to the brim with human garbage!

Watch out for manholes, for you never know what might lurk inside!

This woman knows how to put a charge in a man's life!

BAR ROOM BRAWL CRIME BOSS TWO - ERECTRA

Drinks are on the house, and just about everywhere else! This place may not be large, but you'll get the swing of things when plenty o' thugs start heading your way. Don't be fooled by the western singer either, she wi

Not even the strongest person can hold up to the power of Erectra's whip!

EGGI STA

Watch voir stan all the drunks are a

Watch your step, all the drunks are a pretty rough crowd!

Hey, that by

enough!

Hey, that bartender just took off out the back door! I wonder what he's up to?

The bar room is a nasty place to visit! There are plenty of thugs to smack about, not to mention the singer and her electric whip. The bartender mysteriously disappears out the back door. Could he be going for help? You'll find out soon

BACKALLEY BASH

MAIN BOSS ONE - BARBON

Since you trashed his bar and best singer, the bartender rushed out back to assemble a death squad! Be prepared for some fancy fist flinging action from the mug-slinger himself!

FLY WITH THE EAGLES

The Navy has the top guns, but the Air Force has its Steel Talons the best of the best chopper pilots! With only ten percent of all

trainees succeeding, they had better be good! See if you

have what it takes to survive twelve levels of air-to-air or ground-toair combat! Take to the sky flying a \$15 million aunship. With the hefty price tag comes more than enough high-tech missiles and guns as well as precision targeting and sensory equipment. Find your enemies and destroy them from long distances with laser-guided missiles. At the end of each mission, you'll receive a

rating and performance breakdown leading into the next stage of com-

bat. Get ready for one awesome assault of aerial arsenals!

Your console will show information about ammunition, fuel and enemy locations!

Sustain heavy damage, hit a structure, or run out of fuel, and it's crash-in-burn!

WE TOOK THE ORIGINAL RAMPART,

If you had a blast with Rampart™ in the arcade, you'll be rocked by the new Rampart for the Super NES. Because you get the original balls-to-the-walls hit plus new Super Rampart with more destructive firepower, intense strategy and explosive action.

you get all the original action that made Rampart a smash hit.

someone's going to walk the plank when all the smoke clears.

Super Rampart gives you Propaganda Balloons, Super Cannons and 15 huge scrolling 3-D battlefields.

With two-player Super Rampart, you'll do more than blow your friends to bits. Devastate your opponent's castle with fiery cannonballs from your Super Cannons. Send in ground troops to scale his walls. Then scramble to rearm and rebuild your splintered stronghold with more elaborate stone pieces.

Single-player Super Rampart is just as destructive. Protect your fortress from an armada of menacing ships, fend off storming ground troops and use Propaganda Balloons to incite mutiny on enemy ships. All in an attempt to massacre your ultimate foes: ruthless enemy bosses. Surviving a level lets you challenge the bonus round to rack up big points as you prepare for

the next storm of cannonballs. To get original Rampart and Super Rampart all in one

Super NES cartridge, see your retailer

Meet The Faces Behind Most

There are a lot of doctors and researchers out there who deserve credit for society's medical achievements. But the fact is, they'll have to share the credit. Because before any medical project can break new ground, it has to get off the ground. And that takes money. We urge you to contribute to the hospital of your choice. Your help could mean a solution to many of today's most pressing medical concerns. The first of which is, quite frankly, funding

Circle the appropriate Reader Service Numbers to receive FREE information on the games and products in this issue! Then complete the Survey Questions and you'll be automatically entered into this months drawing of EGM's FACT-FILE Game Give-Away!

Get ready for the ultimate video game contest - only from EGM! Each month the kindly companies listed below have agreed to smuggle out to us the latest and greatest games we profile in every issue of EGM! Not being the stingy sort, we've decided to pass these carts along to you because that's the real reason why companies send them to us in the first place. Anyway, if you'd like a jab at these gaming goodies, simply detach the reader survey card, answer the questions, and mark which system(s) you own. Once we find a box, we'll put all your cards together and start pickin'! Remember to read the rules carefully, and enter today!

The following companies are contributing to this contest:
Activision, Acclaim, Arena, Atari, Atlus, Bignet, Capcom, Dynamix, FCI,
Electronic Arts, Hudson, Jaleco, JVC, Konami, Mindscape, Namco,
Nintendo, NTVIC, Sunsoft, Takara, Tradewest, Turbo Technologies

ENTERING IS EASY:

- 1) Fill out the Reader Survey Card.
- 2) Answer the Survey Questions and Pick the Systems that You Own.
- 3) Mail you Reader Service Card to: Electronic Gaming Monthly P.O. Box 8965 Boulder, CO 80328-8965 Winners will be listed in the Jan. EGM!

Contest Rules: All entries must be received before becember 1, 1992. E6M or the judges are not liable for lost or misdirected mail. One entry per person, multiple entries will be disqualified. Prizes are not transferable. Highlie or incomplete entries are including the viole where prohibited. The decision of the judges is final. No purchase necessary to enter. Contest is not open to employees of Sendai Publishing Group, Inc. or to members of their immediate family. Taxes are the responsibility of the winner. Approximate value of prizes is \$800. Prizes will be forwarded to the winner when final production copies are available. One prize per household. Pneumonoultramicroscopicificovolcanocaniosis. Go look it up. Determination of winners will be made hrough a random drawing. The decision of the judges is final so don't whine if you lose.

You will have a long hard road to victory! It's no cake walk on Madden's grid iron.

Play Against The Best In The Business!

Nobody knows more about football than John Madden. And no one is better prepared to bring you the hard hitting, bone crunching excitement of the video grid iron.

You can't find a better video football game anywhere! The control is absolutely incredible. You can view three different receivers at the same time and throw the ball in a split second. When running, the heart of all offenses, you have a variety of moves that allow you to shake your would-be tacklers. You can't beat EA's enhanced graphics and play, either. Get ready to do some serious heavy-duty head-bashing this foot-

ball season.

Search out the ancient temple to discover the source of evil.

Strike quickly and silently at the enemy using the night's veil of darkness.

Be on your guard as a drugged out rocker tries to bash your brains in.

NINJA GAIDEN

Combat rages on the rooftops of the city's tallest buildings and skyscrapers.

Take on the enemy one-on-one, or fight your way through entire gangs.

DESTINY AWAITS

You are Ryu Hyabusa, last descendant of an honorable ninja clan. Armed only with the Dragon Sword, an heirloom passed on through the generations, you must hunt down a terribly ruthless criminal. Known only as the Master of Darkness, it's up to Ryu to vanquish this Boss and his forces.

Utilizing your martial arts skills to defeat the enemy, you must restore your family honor with a blade. It is your fate to do so.

Ninja Gaiden brings all the intensity of the 8-Bit classic to the Genesis, with enhancements in every category. The music is exotic and fast paced, the graphics detailed and the action fierce throughout.

The cityscape at night is the perfect setting for a ninja nightmare.

Drug dealing in the casino is one of the many evils you will find on your quest.

ACK HOLE

INTO THE DARKNESS

As usual, the solar system finds itself under attack by an alien force. Their armies come equipped with armored assault suits. The time has come for a counterattack by special CAM (Cybernetic Anthropomorphic Machines) weaponry. With only two working prototypes: the Cyquest and the Orion, you must master these state-of-the-art fighting machines and go head-on against the enemy!

Several colonies have already fallen, and it's up to you to reclaim them! Details on the enemy assault suits follow at the end of this report along with information on the locations in which you will be fighting.

YO HO HO AND A **BARREL OF MONKEYS**

Shiver me timbers, laddie. Youngsters like you need to be careful if you wish to survive Monkey Island. Fates worse than keel hauling await those not up to the challenge. Voodoo curses, ghosts, and witch doctors are but a few of the many obstacles you'll encounter.

Landlubbers listen closely, and I will tell ye a tale of treasure. Long ago a vicious ol' pirate named LeChuck found a secret entryway into an underworld. Filled with lava: it was. He met an awful fate, but he left behind more booty than you can imagine. Guarded by his ghost, no one has ever been able to steal his treasure. Will you be the first?

Deep in a bed of lava lies LeChuck's hidden ship of pirate treasure!

LeChuck's ghost haunts the island, intending to protect his treasure forever!

Pirates love good ale and long tales; maybe you can supply them with both.

Listen to your elders, and you will not go wrong. Try to use their good advice.

Search out clues. Almost everything can be used later in the game.

Argh matey, seek out every section in this vicinity to find helpful things.

HE'S QUICK, HE'S QURIOUS, HE'S QUE

IRCLE #106 ON READER SERVICE CARD.

CIOUS!

When you enter the tent which contains the Loom, remember to grab the distaff.

Look for spheres like this for important clues about the future.

become the FADTASU

Embark on the adventure of a lifetime with Turbo Technologies' new adventure, LOOM, You are Bobbin Threadbare, a young member of an ancient sect known as the Guild of Weavers. Loom is different from the many other adventure games

> must not only play it, but complete it to experience its magic fully.

because you

Use Bobbin's distaff to weave magical spells (known as drafts) which will help you on your quest to destroy Chaos. The spells are cast by

using a series of musical notes that are discovered along the way. The game is highly detailed and even allows you to weave spells backwards for an opposite effect! For example, the draft of opening cast backwards becomes the draft of closina!

Special note must be made of the beautifully detailed graphics and the brilliant CD-quality musical score. The spells, though numerous, are easy to recall when you get the hang of it!

Leave the friendly confines of our paltry little world and enter the universe of dark fantasy and incredible challenge contained within LOOM. Oh what a tangled web we weave...

TURBO DUO ADVENTURE

The save option allows you to restart your quest at the beginning of the area.

In the Bishop's Castle, the fabric of the pattern is ripped asunder by evil Chaos.

Chaos, he who heralds the Coming of the Third Shadow, is your final adversary.

NOVEMBER

Our hero is swept away by the dragon! While in the lair, weave the draft of sleep.

Move over masters, a new champion is kicking in.

This exciting action adventure game recreates the fury and explosiveness of international boxing. In this game, they take no prisoners. It is a fight for life and the championship in a ten series match. Set against international backdrops players pit themselves against ten of the most deadly Masters of the Martial Arts. Each master brings to the fight their own special weapons and fighting techniques. Players kick, punch and jump their way to victory. This exciting video battle features dimensional screens, high quality graphics, special sound and video effects and challenging game play. Enemy masters can be designed for special attacking action. Weather and seasons change during the course of the game action.

Make your move to power with one of the hottest games yet, "POWER MOVES"!

IF YOU THOUGHT TETRIS WAS FUN, LOOK WHAT WE DID TO WORDTRIS.

ACID. BOMBS. DYNAMITE. OUR SCIENTISTS MADE IT HARD TO GET A WORD IN EDGEWISE.

This mind-boggling, falling-block Soviet game will burn you up, blow you away, blast your socks off. This time the falling pieces are letter blocks. Instead of forming lines, you form words. Horizontally. Vertically. They clear. You score. The pace quickens. Where's that Magic Word? A Wild Card Block appears. The challenge builds as the levels go higher and the blocks fall faster and faster. You find our 50,000 word dictionary knows all. You're in the mood for 2-player mode so you take on a friend. So much to do, so little time. More challenging than Tetris? You have our word on it.

Your goalie can be knocked through the net if your opponent has the gold stick!

STICK IT TO 'EM, BE COLD AS ICE!

This is the hockey game all TurboGrafx owners have been waiting for. Taito and Turbo Technologies have faithfully reproduced the arcade sensation, Hit the Ice, for everyone who's already spent a year's allowance on the coin-op version.

Hit the Ice is a three-on-three, allout, skates-in-your-face power brawl. You can choose your skaters from a substantial list of participants, each with their own strengths and weaknesses. The graphics are sharp, and the game flows smoothly from one end of the rink to the other. Expect the crowd to get into the game as well! You'll see bottles and garbage thrown onto the ice and some wise guy actually tosses an octopus! If you're ready for the meanest old-time hockey game this side of the arctic, then grab your stick and Hit the Ice!

Welcome to the start of tonight's big game between the red and the blue!

When you go to the fights, don't be surprised if a hockey game breaks out!

REDE TO COMPANY OF THE PROPERTY OF THE PROPERT

In this hockey game, offense is the primary concern. Score, baby, score!

MEGA MAN

MEGA MAN 2

CHOICES, CHOICES: You'll have to wait

SEA YA: On this level, you fight a monster while piloting a speedboat!

IS THIS THE END OF MEGA MAN?

Dr. Wily just won't quit! After four attempts to destroy the plucky and resourceful Mega Man, the evil doctor may have finally created enemies who will do the job! Dr. Wilv is trying so hard to do it right that he let fans of the popular game series create their own villains! Who better to design Mega Man's new opponents than the fans who love and adore him? What a devious plan!

This occurred during a contest in Japan, where Capcom accepted ideas for new Bosses to be included in their upcoming Mega Man 5 game. This scheme was also used in preparation of Mega Man 4, but our hero still survived! Although Mega Man 5 isn't quite finished, it will very likely leave a distinctive mark next to its predecessors!

So maybe, just maybe, Dr. Wily's fifth set of robot rejects will get the job done. Or will they?

Here Mega Man walks on the ceiling!

ALL ABOARD: Mega Man runs through the train station in front of the cars.

BUNGLE IN THE JUNGLE: Mega Man must battle wild beasts in the tropics!

BACK TO THE DRAWING BOARD:

These are some of the villains I've been tinkering with to destroy that cursed Mega Man. Thanks to the people who invented these characters, Mega Man will have a harder time defeating me and thwarting my plans! Prepare to meet your doom Mega Man, because this time I'll win! Here are four of the eight new villains you'll face on this journey!

The Dark Knight dishes out some punishment.

BACK IN BLACK!

Batman Returns is now coming for the NES! Everyone's favorite Caped Crusader is out patrolling the streets of Gotham City. This time, he must fight the combined powers of the Penguin and Catwoman to save the good citizens from an evil plan!

Batman will have his work cut out for him when he tries to save Gotham City this time. He must defeat killer clowns in the streets and motorcycle lunatics who are doing their best to leave tracks on his cape.

Once you have the streets under control, you must reclaim the rooftops! This is not easy, especially since you must face the ever-cunning Catwoman. Batman must also fight through a department store loaded with devils and a remote control helicopter that drops bombs all around. When the Penguin's plans are foiled, you must still save the children! Only you can help Batman succeed, and assist the Dark Knight as he triumphs over evil in Gotham City!

Batman uses his special move to escape trouble!

Catwoman and Batman fight it out on the roof!

Catwoman and the Penguin team up to destroy Batman!

Batman dodges the bullets on the shocking blue disco floor.

The Penguin gets pelted with rotten fruit!

Batman races to save the city's kids from evil!

KRUSTYS FUNLIOUSE

HI, KIDS!

Welcome, one and all, to Krusty's Fun House, the nutty and kooky new NES adventure! Rats have invaded the house of Bart's favorite TV personality, and Krusty must lead these creatures to a trap guarded by Bart or Homer located in each level.

Each level is a puzzle and Krusty must find the right path for the rats to travel so that they end up in the trap at the end of the stage. There are certain paths that require barriers to be removed before the rats will follow Krusty, and square blocks can be used to accomplish this task.

The first few levels are pretty straightforward, but tougher challenges await in later stages. So be ready to blast 'em, smash 'em, and Krusterize 'em all the way to the end!

This spooky graveyard is just one of many areas to explore in Britannia.

Be sure to search everywhere - several castles and houses contain crucial items.

When you engage an enemy, the target identifies the angle of your attack.

Warriors of Destiny

JOIN THE QUEST!

The Avatar has just returned to Britannia. Upon his arrival, a close friend named Shamino, is wounded by three formless beings, known as the Shadowlords! Shamino tells of Britannia's ruler, Lord British, who has been missing since he led a band of men into the Underworld. In his absence, Lord British's trusted subject, Blackthorn, has taken over the kingdom. Now, the once gentle Blackthorn has been corrupted by

the three Shadowlords, transforming the land into a desolate country of hatred and oppression. You must find Lord British and return him to power . . . if he is still alive!

Ultima: Warriors of Destiny has jumped from computers to the NES system! Follow the adventures of the Avatar and his band of warriors as they embark on their quest. Visit a variety of lands, and fight a huge assortment of monsters throughout the game to return Lord British to power.

HAPPY HEADHUNTING!

He's back! That cute, lovable cave boy, Bonk, seems to have games popping up everywhere, and now he's in a new adventure for the GameBoy system!

Guide this cool heanderthal nut through many levels of prehistoric play, that gives new meaning to the word headache". Bash the enemies with Bonk's built-in weapon! The graphics are cute and comical, and they add to the hilanious game play. Remember that the only way to win with Bonk is if you use your head! Where's the aspirin?

GIVE UP!

If you get in a jam, or can't move blocks, the game offers a "Give Up" option!

Besides being able to push bricks around, you also have the ability to jump.

READ MY BRICKS...

Test your thinking and construction skills with Megalit, the latest GameBoy puzzler!

You assume the role of a heroic fighter who must overcome obstacles by moving bricks. Rescue a princess as well as other people kidnapped by an evil witch by successfully moving these items. Practice on the Easy Mode, or try the Quest mode for a harder challenge. Be cautious and don't drop the bricks more than one grid, or you'll find yourself at the beginning of the level. If the length of the quest leaves you weary, there is a game save option. Also, after each level, a hint is provided to speed you through this building adventure.

BROKEN !!
1000
1331333133

Any bricks that drop more than one level will break and force you to start over.

Make sure the bricks don't fall on top of you while pushing them around!

THE WHAT'S HOT RESOURCE FOR EGM READERS ONLY

Dinosaurs Blown Back to the Stone Age

Rumors of Steven Spielberg's upcoming prehistoric epic "Jurassic Park" are becoming as mythical as the dinosaurs in the film.

But in mid-September production suffered a major blow when Hurricane Iniki swept through the elaborate set situated in a remote location on the Hawaiian island of Kauai.

Projected to be next summer's blockbuster. Jurassic Park will likely he back on

schedule in time to hit its release as planned.

Still, insiders are buzzing about special effects techniques that will be used in the film. Speculation persists that computers, instead of models, will create most of the animation.

The film will take Terminator 2 inspired effects to new heights. Such an extensive use of com-

puter graphics for animation is unprecedented. but experts predict it will JURASSIC PARK revolutionize special

effects

Solo in the Big Apple

He was left behind again. But this time. Kevin McCalister (Macaulay Culkin) is in New York City during Christmas.

Bumbling bad guys Joe Pesci and Daniel Stern reprise their roles as the wacky antagonists of "Mack" in Home Alone 2: Lost in New York.

The overwhelming positive response from test-screening audiences indicate that Home Alone 2 has the potential to duplicate the astronomical success of the original, which was the third highest grossing film in movie history.

One question though: Why

MOVIES

The gang returns in time for Thanksgiving, Hey Mac, you want the leg or the wing?

call it Home Alone 2 if he's on vacation?

Mork the Merry Toymaker?

Well, sort of Robin Williams is reunited with director Barry Levinson for the first time since Good Morning Vietnam.

Williams plays a whimsical tov maker who must save his father's toy factory from the clutches of his demented uncle. Big fun.

Toys, starring Robin Williams, opens in December.

And Finally

Bruce Willis is considering a lucrative offer from 20th Century Fox to do Die Hard 3: Another run-in with terrorists? Maybe it should be called Bad Luck 3.

COMICS

MAN OF STEEL TURNING TO RUST?

DC Comic Sales Boom with Rumors of Superman's impending Doom

Officials at DC Comics have confirmed that the Man of Steel will indeed turn to rust er dust.

In Superman #75 entitled Superman: Doomsday, the quardian of Metropolis gives his life to save the city and its inhabitants. The price of this hot issue will be \$1.25.

A special poly-bagged edition, costing \$2.50, includes Superman's obituary from the Daily Planet, a mock

both teams' mixes. In fact, Sanders is so important to his two teams, that both offered him multiyear, multi-million dollar contracts to stick with their sport and drop the other.

From football practice he goes to his baseball game. Such is the life for flashy super-athlete Deion "Prime Time" Sanders. And as the Atlanta Braves gear up for the World Series while the

Atlanta Falcons shoot for the

No chance, says Deion, who was among the National League leaders in batting average for much of this sea-

In week two of the NFL season, Sanders returned a kickoff 99 yards against the Washington Redskins.

In either sport, Sanders is truly a "Prime Time" player.

GADGETS

"Hello. This is my answering machine...I can't get the phone right now, I haven't fixed my hair yet."

That may be a likely greeting when products like the FuturePhone, a television picture-phone, become widely available.

Don't worry about keeping a comb near your phone anytime soon though. Future-Phone is just a concept model that's not expected to be released for some time.

CONTEST

The Battle of the Magazine Editors

All of the editors of the major game magazines in the U.S. and Japan recently gathered in Sapporo Japan to go head-to-head in the ultimate game contest!

Sponsored by Micronet of Japan and their U.S. subsidiary - Bignet, the editors were able to try out firsthand the company's new Sega CD fighting game -Black Hole Assault

The competition was formidable. From Japan there were editors of famous magazines such as Famicom Tsushin, Beep Megadrive,

Mr. Murakami introduces Micronet's new Sega CD - Black Hole Assault.

Mega Drive Fan, Game Boy, PC Engine Fan, Marukatsu PC Engine, Monthly PC Engine, Hippon Super and Marukatsu Mega Drive.

Representing the U.S. were the editors of Electronic Gaming Monthly (Ed Semrad), GamePro (Wes Nihei) and Video Games and Computer Entertainment (Andy Eddy):

Before the game contest, Mr. Akihiko Murakami, president of Micronet Inc., talked about the development of Black Hole Assault, followed by a presentation by Mr. Yano of Sega of Japan about the future of Sega's CD-ROM system and the leaps they're taking in software.

Then the competition began, Since the U.S. editors were outnumbered 18 to 3, they took a pass on the first round of competition. In the second round it was their turn to play. Each was matched up with one of the

winners of the first match.

The competition continued and the eventual winner was the editor of the PC Engine magazine. Although the U.S. players put up a good fight, they were ultimately bested by the guys with home field advantage.

For a detailed look at Black Hole Assault, check out the Sega CD Fact-File starting on page 218, and for a preview of all of Bignet's Sega titles, page through the exclusive 68 page Sega Force supplement in this issue.

EGM's Ed Semrad takes on one of the Japanese game mag editors.

Whatever happened to realism in movies? Let's see a hero die once in a while.

INNERVIEW

Laser Discs

On the Brink of a Breakthrough

After an inauspicious debut, Laser Discs packed with features superior in technology and quality to video cassettes, are beginning to gain wider appeal among movie buffs.

LD's are quite similar to Compact Disc's, except they include video as well as sound.

Consequently, LD's boast the same inherent advantages. The recording never fades or distorts, the sound (and picture) is unsurpassed in clarity, and the digital format allows for greater flexibility.

The inside of the alien mothership is revealed in Close Encounters of the Third Kind. In found in the film's original release, many laser discs offer special "letterbox" displays

That flexibility has enabled film distributors to include features on LD recordings that are not usually

found on video cassettes.

More and more movies released on LD have such bonuses as behind the scenes look at actors, directors, or the making of the film; a simulated theater screen known as "letterbox" format; or extra scenes not found in the original big screen version of the film.

tributors have realized that those people who become fans of theatrical releases will also pay to see enhanced versions

Film dis-

of their favorite films at home.
Aliens director James Cameron, for example, reinserted nearly 20

Several scenes that were cut from the original version of The Lawnmower Man. Many laser discs contain additional footage and descriptions from movies.

addition to boasting additional footage not that simulate the look and feel of a theater.

minutes of footage on a wide screen edition of the Sci-Fi thriller. The additional scenes expand the storyline and make Aliens worth a re-watch for everyone - especially

Director Steven Speilberg was adamant that the letterbox format (which has the same 1 85.1 ratio as theater screens) be retained for the LD release of Close Encounters of the Third Kind.

In an interview at the end of the LD

version of the film, Speilberg reveals many interesting insights into the making of Close Encounters.

An audio feature on the Wizard of Oz LD enables the viewer to select between the movie's soundtrack and a fascinating running commentary on the history and making of the flm classic. Did you know that Buddy Ebsen, who played Jed Clampett on the Beverly Hillbillies, was originally cast as the Tin Man but dropped out because of an allergy to the silver face paint?

Star Trek 6 only has approximately

three minutes of new footage, but that time dramatically alters the film's overall storyline.

A break-dancing Scarecrow? Not really, but in the collector's edition LD of The Wizard of Oz, this dance sequence and other scenes that were originally omitted have been restored.

The recently released Lawnmower Man LD also includes scenes extracted from the theater version of the hightech horror film.

Many owners of LD players are looking forward to a special version of the 1991 blockbuster Terminator 2. Although Cameron. who was responsible for bringing Aliens back to life on LD, has not commented on a director's cut. several scenes from the movie were filmed. Among the footage that could find its way onto LD are the original ending (showing an old Sarah Conner with her Senator son John), the shutdown of Sky-Net, or Sarah's dreams of Kyle Reese.

Falling prices of LD players have recently made it possible for many more people to enjoy the added quality and depth that LD

> has to offer. You can now find a decent LD player for about \$500.

LD's appear to be on the verge of gaining mass acceptance. When that happens, expect to see LD entertainment extend beyond new footage.

In a Special Widescreen Collector's Edition of Aliens, an opening sequence that last nearly six minutes introduces Newt's family while showing how the Alien infestation begins on their world.

Rules - All scores on Tazmania must be received by December 15, 1992. If maximum scores are reached, a drawing of all maximum scorers will be conducted to determine prize winners. All scores must be submitted on official Team entry forms and an accompany a legible photo. Void where prohibited. Send SASE to High Scores, 1920 Highland Ave., Suite 222, Lombard, IL 60148 for an official entry form. One winner per household per year. Score rollovers will be treated the same as maximum scores. Decisions of the judges will be final.

Fearsome Flames

ENAGE MUTANT NIN.

Lightning Fast Lasers

The heroes are carrying back the statue to its proper place in the harbor.

Deadly mutagen slime can cause serious damage! TOTALLY

SHELL-SHOCKED!

The Statue of Liberty is returned and the Turtles are recognized as heroes!

LEONARDO

MICHELANGELO

The turtles have passed the final test. They are now true ninjas! Master Splinter congratulates them, and sends our heroes on their jubilant way!

RAPHAEL

DONATELLO

and a little luck. (
